National Night Out & Back to School Night

The City of Doral, in partnership with the Doral Police Department and the Parks & Police 4 Kids Foundation, hosted its annual National Night Out and Back to School Night on Tuesday, August 3, at the Doral Police Training and Community Center. This fun-filled event prepared families for back-to-school season while equipping them with beneficial tips on crime watch and public safety.

Activities included food samples, balloon twisters, music, inflatables, sponsors booths with school supplies giveaways and exciting police demonstrations. Throughout the event, over 800 backpacks filled with school supplies were distributed for free to residents.

On Saturday, October 2, 2021, the City hosted its annual Doral 5K run/walk at Doral Meadow Park. Over 920 participants joined in and committed to health with this 3.1-mile certified racecourse.

At 6:30 AM, participants were invited for a pre-race group stretch and warm-up hosted by one of our event sponsors. This stretch got participants on their feet and getting their blood pumping to get ready for the race.

Immediately following the pre-race warm-up, runners gathered by the start line and enjoyed the beautiful acapella rendition of the Star-Spangled Banner by Doral Resident, Luna Meneses. Afterwards, Mayor Juan Carlos Bermudez recognized Councilmembers and thanked the energetic crowd for doing their part in keeping Doral a healthy and energetic place to live.

A synchronized countdown of "on your mark... get set... GO!" sent the runners on their way and as participants made their way back to the finish line, they were greeted by an enthusiastic crowd and a custom finisher medal.

As most of the runners crossed the finish line, participants gathered around the awards ceremony stage and greeted Mayor and Councilmembers as they presented the placer medals to the top overall finishers and top three in each age group.

A big congratulations to all the 2021 Doral 5K participants for their achievements and for stepping up your health!

On The City of Doral hosted its 7th annual Veteran's Day Ceremony on November 11 to celebrate and honor the brave men and women who have fought for our country. The ceremony was graced with many notable and honorable speakers like our Mayor Juan Carlos Bermudez and Commissioner Jose "Pepe" Diaz.

This year, we had the distinct honor of having newly appointed U.S Southern Command Commander, General Laura Richardson, as our special guest speaker. General Richardson is the second woman in history to lead a combatant command and the first to head SOUTHCOM, headquartered here in Doral.

This reflective and powerful ceremony honored our Veterans and their families for their tremendous sacrifice to ensure that we continue to live our lives free.

Park Renovations & Enhancements

Play on!

This Fall, Downtown Doral Park, Doral Meadow Park & Morgan Levy Park playgrounds received a much-needed replacement of the playground surfacing and was completed on time and within budget.

One of the most utilized amenities in our park system is our playgrounds. Children of various ages enjoy the ability to climb, jump, slide, and swing in them while they play with their family and friends.

Continuous maintenance and renovations are the key to ensuring that the play never stops. The project sites were completed one at a time in order to avoid having to close multiple playgrounds at the same time for an extended period of time. The project commenced on June 14, 2021 with the first site being Doral Meadow Park and concluded on September 23, 2021 with the last site being Downtown Doral Park.

One fish, Two fish

Doral Glades Park was stocked with fish! Yes, you read correctly.

Did you know that lakes are a living ecosystem in which all components are interrelated? Establishing and maintaining a sustainable fish population is a major goal in healthy lake management. In partnership with the Florida Fish and Wildlife, Doral Glades Park is now home to an additional 6,000 fish. The fish species provided were bluegill and red ear sunfish. Because of this partnership, this service was completed at no cost to the City.

Fishing is allowed at the park and because of this thriving ecosystem, catch and release mandates are not necessary.

Eagle Scouts Soar with Community Enhancement Projects

Nature Identification Signs

Mr. Ricardo Juan Mendez, Boy Scouts of America Doral Troop 552 member, completed his service project at Doral Glades Park.

Mr. Mendez worked to make interpretive signage that is educational and informational. The park contains an abundance of native flora and fauna and with the creation of these trail signs, patrons will be able to easily identify our native surroundings. In addition, patrons will be able to learn about the importance of our ecosystem.

This project was fully funded through fundraising by Mr. Mendez and was at no cost to the City.

Monofilament Containers & Signs

Mr. Gabriele Savino, Boy Scouts of America Doral Troop 552 member, completed his service project at Doral Glades Park.

Mr. Savino worked to make improvements to the fishing dock where he installed monofilament disposal containers, fishing signs, and rod holders on the dock. He also donated fishing rods, supplies, and a rod holder that will be available to all visitors.

This project was fully funded through fundraising by Mr. Savino and was at no cost to the City.

We appreciate and are so grateful for these wonderful projects and look forward to continued collaboration with the Doral Troop 552.
