FINAL PAYMENT REGULATIONS

1. This Program is designed as a reimbursement final payment grant. All work must be completed by the applicant and final inspection must also be completed prior to the funds being released. The City will provide final payment to the grantee upon submittal of a completed Final Payment Request, final inspection by a City representative, and approval by the City Manager.
2. The Final Payment Request shall be summarized in a report and accompanied by proper documentation. Proper documentation will consist of project accounting including invoices, receipts or other acceptable evidence of payment due from suppliers and licensed contractor(s) that commit to a "final release of lien" and submission of a "final contractor's affidavit" upon final payment signed by each all in form and substance required by Chapter 713, Florida Statutes, and acceptable to City's legal counsel. Proposals for "work to be completed" or "bids" are not considered proper documentation.
3. An IRS W9 form from your company/business and a notarized City of Doral Business Entity Affidavit are required in order to properly issue payment.
4. Facade improvements constructed through and associated with any other grant program offered by the City, County or the State of Florida are not acceptable qualified improvement for purposes of this Grant, and requests for reimbursement of any such improvements shall be denied. The Facade Improvement Grant Program will honor only new expenditures that have not been submitted under other grant programs. The Facade Improvement Grant Program may only be used one time for any one folio number. Applicants shall be limited to one grant per property per City budget year. This grant may be used to complement the PACE program but may not be utilized for specific improvements funded through PACE; for example, the installation of new impact-resistant windows funded by the PACE program would not be eligible, but patching and painting the façade after the installation would be eligible.
5. Grantees shall grant the City the right and use of photos and project application materials.
6. As a condition of receiving funds through the Façade Improvement Program, property owners must agree to keep the façade improvements well maintained, and to refrain from substantial modification of same, for a period of one (1) year. Removal, substantial alteration, or failure to maintain the façade improvements with the specified time frame shall be cause for the City to demand reimbursement of granted funds. Upon demand from the City, the applicant's failure to repair and/or replace the improvements or to reimburse the granted funds may cause the City to place a lien on the property for the amount of granted funds and administrative fees. The property owner further agrees to execute at their own expense, as a condition to the award, a covenant or other instrument in a form prescribed by the City which will be recorded in the Public Records as an encumbrance upon the property for one (1) year from the project completion date.
