**THE PARTIES HEREBY AGREE:**

**A. The solicitation (ITB NO 20-21100000-C) and the Contractor's bid, and attachments are hereby incorporated by reference.**

**B. General Provisions:**

1. Contract Formation: The Contractor shall provide goods and services according to the terms and conditions set forth in this Contract, the Solicitation, and all other attachments named herein which are attached hereto and incorporated by reference.
2. Vendor: To perform as an independent vendor and not as an agent, representative, or employee of the Department.
3. Taxes: To recognize that the State of Florida, by virtue of its sovereignty, is not required to pay any taxes on the services or goods purchased under the terms of this Contract.
4. Applicable Law, Severability, and Venue: The contract resulting from this solicitation shall be delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of the resulting contract shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision shall be found ineffective, then to the extent of such prohibition or invalidity, that provision shall be severed without invalidating the remainder of such provision or the remaining provisions of the resulting contract. Any action hereon or in connection herewith shall be brought in Circuit Court, Leon County, Florida.

For example, chapter 287, Florida Statutes (F.S.), and rule 60A, Florida Administrative Code (F.A.C.), govern the Contract. The Contractor shall comply with Section 274 A of the Immigration and Nationality Act, the Americans with Disabilities Act, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status. Violation of any laws, rules, codes, ordinances, or licensing requirements shall be grounds for Contract termination or nonrenewal of the Contract.

### **D. Audits/Monitoring:**

1. The Department may conduct, or have conducted, performance and/or compliance reviews, reviews of specific records or other data as determined by the Department. The Department may conduct a review of a sample for analyses performed by the selected Contractor to verify the quality. Reasonable notice shall be provided for reviews conducted at the successful Contractor's place of business.
2. Reviews may include, but shall not be limited to, reviews of procedures, computer systems, Customer records, accounting records, and internal quality control reviews. The selected Contractor shall work with any reviewing entity selected by the Department.

1. The state and its authorized representatives shall, at all reasonable times, have the right to enter the selected Contractor's premises, or other places where duties under the resulting contract are performed. All inspections and evaluations shall be performed in such a manner as not to unduly delay work.
2. The selected Contractor shall retain all financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to performance under the resulting contract for a period of five (5) years after termination of the resulting contract, or if an audit has been initiated and audit findings have not been resolved at the end of five (5) years, the records shall be retained until resolution of the audit findings. If records need to be sent to the Department, the Contractor shall bear the expense of delivery.

3. Refusal by the selected vendor to allow access to all records, documents, papers, letters, other materials or on-site activities related to resulting contract performance shall constitute a breach of the contract. The right of the state and its authorized representatives to perform inspections shall continue for as long as the selected vendor is required to maintain records. The selected Contractor will be responsible for all storage fees associated with the records maintained under the resulting contract. The selected Contractor is also responsible for the shredding of records that meet the retention schedule noted above.
4. Failure to retain records as required may result in cancellation of the contract. The Department shall give the selected vendor advance notice of cancellation pursuant to this provision and shall pay the selected vendor only those amounts that are earned prior to the date of cancellation in accordance with the terms and conditions of the resulting contract. Performance by the Department of any of its obligations under a contract awarded pursuant to this solicitation shall be subject to the selected vendor's compliance with this provision.

2. Further, the Contractor shall fully indemnify, defend, and hold harmless the State, the Department, and Customers from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right, provided, however, that the foregoing obligation shall not apply to a Customer's misuse or modification of Contractor's products or a Customer's operation or use of Contractor's products in a manner not contemplated by the Contract or the purchase order. If any product is the subject of an infringement suit or in the Contractor's opinion is likely to become the subject of such a suit, the Contractor may at its sole expense procure for the Department and Customer the right to continue using the product or to modify it to become non-infringing. If the Contractor is not reasonably able to modify or otherwise secure the Customer and Department the right to continue using the product, the Contractor shall remove the product and refund the Customer and Department the amounts paid in excess of a reasonable rental for past use. The Department and Customer shall not be liable for any royalties.
3. The Contractor's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the Department or State or Customer giving the Contractor: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Contractor's sole

expense; and (3) assistance in defending the action at Contractor's sole expense. The Contractor shall not be liable for any cost, expense, or compromise incurred or made by the Department or State or Customer in any legal action without the Contractor's prior written consent, which shall not be unreasonably withheld.

#### **G. Risk of Loss:**

Matters of inspection and acceptance are addressed in s. 215.422, F.S.. Until acceptance, risk of loss or damage shall remain with the Contractor. The Contractor shall be responsible for filing, processing, and collecting all damage claims. To assist the Contractor with damage claims, the Customer shall: record any evidence of visible damage on all copies of the delivering carrier's Bill of Lading; report damages to the carrier and the Contractor; and provide the Contractor with a copy of the carrier's Bill of Lading and damage inspection report. When a Customer or the Department reject a product or services, Contractor shall remove the product from the premises within ten days after notification or rejection and the risk of loss shall remain with the Contractor. Product not removed by the Contractor within ten days shall be deemed abandoned by the Contractor, and the Customer or the Department shall have the right to dispose of it as its own property. Contractor shall reimburse the Customer or the Department for costs and expenses incurred in storing or effecting removal or disposition of rejected product.

#### **H. Assignments:**

The Contractor shall not sell, assign or transfer any of its rights, duties or obligations under the Contract, or under any purchase order issued pursuant to the Contract, without the prior written consent of the Department. In the event of any assignment, the Contractor remains secondarily liable for performance of the Contract, unless the Department expressly waives such secondary liability. The Department may assign the Contract with prior written notice to Contractor of its intent to do so.

#### **I. Return of Funds**

Contractor will return to the Department any overpayments due to unearned funds or funds disallowed pursuant to the terms of this Contract that were disbursed to the Contractor by the Department or Customer. The Contractor shall return any overpayment to the Department within forty (40) calendar days after either discovery by the Contractor its independent auditor, or notification by the Department, of the overpayment.

#### **J. State Project Plan:**

Within thirty (30) calendar days following award of the Contract, the successful Contractor shall submit a plan addressing each of the five (5) objectives listed below, to the extent applicable to the services covered by this Contract. **The State reserves the right to negotiate mutually acceptable changes in regard to the below objectives, prior to execution of the resulting contract.**

The Contractor agrees that compliance with this assurance constitutes a condition of continued receipt of or benefit from funds provided through this Contract, and that it is binding upon the Contractor, its successors, transferees, and assignees for the period during which services are provided. The Contractor further assures that all contractors, subcontractors, sub grantees, or others with whom it arranges to provide services or benefits to participants or employees in connection with any of its programs and activities are not discriminating against those participants or employees in violation of the above statutes, regulations, guidelines, and standards.

2. Literature: Upon request, the Contractor shall furnish literature reasonably related to the product offered, for example, user manuals, price schedules, catalogs, descriptive brochures, etc.

#### **M. Employment**

1. Florida Substitute Form W-9 Process: State of Florida vendors must register and complete an electronic Substitute Form W-9. The Internal Revenue Service (IRS) receives and validates the information vendors provide on the Form W-9. For instructions on how to complete the Florida Substitute Form W-9, please visit: <http://www.myfloridacfo.com/Division/AA/StateAgencies/W-9Instructions022212.pdf>
2. 3. Safety Standards: All manufactured items and fabricated assemblies subject to operation under pressure, operation by connection to an electric source, or operation involving connection to a manufactured, natural, or LP gas source shall be constructed and approved in a manner acceptable to the appropriate State inspector. Acceptability customarily requires, at a minimum, identification marking of the appropriate safety standard organization, where such approvals of listings have been established for the type of device offered and furnished, for example: the American Society of Mechanical Engineers for pressure vessels; the Underwriters Laboratories and/or National Electrical Manufacturers' Association for electrically operated assemblies; and the American Gas Association for gas-operated assemblies. In addition, all items furnished shall meet all applicable requirements of the Occupational Safety and Health Act and state and federal requirements relating to clean air and water pollution.

## **N. Vendor Performance**

### 1. Performance Qualifications:

- a. The Department reserves the right to investigate or inspect at any time whether the product, qualifications, or facilities offered by Contractor meet the Contract requirements. Contractor shall at all times during the contract term remain responsive and responsible. In determining Contractor's responsibility as a vendor, the Department shall consider all information or evidence which is gathered or comes to the attention of the Department which demonstrates the Contractor's capability to fully satisfy the requirements of the solicitation and the contract.
- b. Contractor must be prepared, if requested by the Department, to present evidence of experience, ability, and financial standing, as well as a statement as to plant, machinery, and capacity of the Contractor for the production, distribution, and servicing of the product to be furnished. If the Department determines that the conditions of the solicitation documents are not complied with, or that the product to be furnished does not meet the specified requirements, or that the qualifications, financial standing, or facilities are not satisfactory, or that performance is untimely, the Department may terminate the contract.

### 2. Default:

When a Contractor is failing to fulfill its duties specified in any contract with the Department, or when a Department becomes aware that the Contractor has failed to remain qualified to perform the contract requirements, the Department may take the following actions:

- a. The Department will provide written notice to the vendor which identifies the nature of the failure and the necessary corrective action by the Contractor, which must be completed in no more than ten (10) business

days, unless the Department determines a different time span based on the Department's sole discretion and in the best interests of the State. The notice will also state that should the Contractor fail to perform within the time provided, the Contractor will be found in default.

- b. Unless the Contractor corrects the failure within the time provided, or unless the Department determines that the vendor's failure is legally excusable, the Department shall find the vendor in default and shall issue a second notice stating: (i) the reasons the Contractor is considered in default; (ii) that the Department will reprocure or has reprocured the commodities or services; and (iii) and the amount of the reprocurement costs if known.
- c. A Contractor found in default will not be eligible for award of a contract by the State until such time as the Department is reimbursed by the Contractor for all reprocurement costs. Reprocurement costs may include both administrative costs and cost or price increases incurred or to be incurred as a result of the reprocurement, as well as all legal costs encumbered by the State. At the Department's discretion, reprocurement of substitute commodities or contractual services may be accomplished by first attempting to contract with the next eligible awardee under the original solicitation, when applicable. If the Department fails to contract with the next eligible awardee, it may continue in this manner sequentially through all eligible awardees until a vendor willing to perform at acceptable pricing under the solicitation's terms and conditions is found. Alternatively, the Department may elect to reprocure the commodity or contractual service pursuant to all applicable requirements of chapter 287, F.S.
- d. Until such time as it reimburses the Department for all reprocurement costs and the Department is satisfied that further instances of default will not occur, a Contractor found in default shall not be eligible for award of a contract by the Department. To satisfy the Department that further instances will not occur, the Contractor shall provide a written corrective action plan addressing the default.
- e. The foregoing provisions do not limit, waive or exclude the State's legal or equitable remedies against a defaulting Contractor.

3. Dispute Resolution:

Any dispute concerning performance of the Contract shall be decided by the Department's designated contract manager, who shall reduce the decision to writing and serve a copy on the Contractor. The exclusive venue of any legal or equitable action that arises out of or relates to the Contract shall be the appropriate Circuit Court in Leon County, Florida; in any such action, Florida law shall apply and the parties waive any right to jury trial.

**O. Termination**

1. Termination for Convenience:

The Department, by written notice to the Contractor, may terminate the Contract in whole or in part when the Department determines in its sole discretion that it is in the State's interest to do so. The Contractor shall not furnish any product or service after it receives the notice of termination, except as necessary to complete the continued portion of the Contract, if any. The Contractor shall not be entitled to recover any cancellation charges or lost profits.

2. Termination Due To Lack of Funds

- a. In the event funds to finance this Contract become unavailable, the Department may terminate the Contract upon no less than twenty-four (24) hours written notice to the Vendor. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery. The Department shall be the final authority as to the availability of funds.
- b. The State's performance and obligation to pay under this contract are contingent upon an annual appropriation by the Legislature.

3. Suspension of Work:

The Department may, in its sole discretion, suspend any or all activities under the Contract or purchase order at any time when in the best interests of the State to do so. The Department shall provide the Contractor written notice outlining the particulars of suspension. Examples of the reason for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, the Contractor shall comply with the notice. Within ninety days, or any longer period agreed to by the Contractor, the Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Contract or purchase order. Suspension of work shall not entitle the Contractor to any additional compensation.

4. Termination for Breach:

- a. The Department may terminate the Contract if the Contractor fails to: (1) deliver the product within the time specified in the Contract or any extension; (2) maintain adequate progress, thus endangering performance of the Contract; (3) honor any term of the Contract; or (4) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences of default. The Contractor shall continue work on any work not terminated. If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Department. The rights and remedies of the Department in this clause are in addition to any other rights and remedies provided by law or under the Contract.

- b. Unless the Contractor's breach is waived by the Department in writing, the Department may, by written notice to the Contractor, terminate this Contract upon no less than twenty-four (24) hours written notice. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery. If applicable, the Department may, at its sole discretion employ the default provisions in rule 60A-1.006(4), F.A.C.
- c. Waiver of breach of any provisions of this Contract shall not be deemed to be a waiver of any other breach and shall not be construed to be a modification of the terms of this Contract. The provisions herein do not limit the Department's right to remedies at law or to damages.
- d. Pursuant to subsection 287.135(3)(b), Florida Statutes, Department may immediately terminate any contract for cause if the Contractor is found to have submitted a false certification under subsection 287.135(5), Florida Statutes, or if Contractor is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List during the term of the Contract.

## Section 2 Instructions to Bidders

This section contains instructions to Bidders on how to submit a Bid. The instructions come in two parts; General Instructions and Special Instructions.

### 2.1 General Instructions

The [PUR 1001](#), The General Instructions to Bidders, is incorporated by reference and provided via the link below:

<http://www.dms.myflorida.com/content/download/2934/11780/1001.pdf>

In the event any conflict exists between the Special Instructions and General Instructions to Bidders, the Special Instructions shall prevail.

### 2.2 Special Instructions

#### 2.2.1 MFMP Registration

In order to bid, Bidders shall have a current Vendor registration and be active for “Sourcing Events” within the link: [MFMP Vendor Information Portal Website](#).

#### MyFloridaMarketPlace Vendor Registration

Each Bidder doing business with the State of Florida for the sale of commodities or contractual services as defined in section 287.012, Florida Statutes, shall register in MyFloridaMarketPlace, in compliance with Rule 60A-1.030, Florida Administrative Code, unless exempt under Rule 60A-1.030(3) Florida Administrative Code.

#### 2.2.2 How to Submit a Bid

Submit responses to this solicitation via the MyFloridaMarketPlace Sourcing Tool by selecting this link: [MFMP Sourcing 3.0 Login](#). Bidders shall have a current Vendor registration and be active for “Sourcing Events” within the link [MFMP Vendor Information Portal](#). Download the MFMP Participation Instructions to Bidder, for detailed instructions on how to participate within the MFMP Sourcing Tool 3.0.

Include all appropriate pricing, discounts, documents, forms, files, question responses, and information responses located within the MFMP Sourcing Tool for the solicitation in Bids. All required or requested pricing, discounts, documents, forms, files, question responses, and information responses are to be entered electronically in the MFMP Sourcing Tool during this solicitation as indicated.

#### 2.2.3 Sourcing Tips and Training

After logging into MFMP Sourcing 3.0, “My Events” lists all events the Bidder already chose to “Join” (i.e., you intend to submit a formal response). “Public Events” lists those events associated with the Bidder’s registered UNSPSC listed in their Bidder Information Portal (VIP) accounts, but the Bidders have not yet “Joined.” Joining an event moves the event from “Public Events” to “My Events,” allows the Bidder to submit questions about the event (solicitation), and alerts Bidders to any associated updates (e.g., addenda, event edits, etc.).

To respond to a solicitation, bidders shall review and accept the electronic agreement on the “Review and Accept Agreement” page. Click the radio button next to, “I accept the

terms of this agreement.”

When responding, save work frequently – at intervals less than 20 minutes. Sourcing 3.0 automatically times out after 20 minutes of inactivity. Any unsaved information may be lost when the system times out. Clicking the “Save” button within Sourcing 3.0 only saves your solicitation responses.

To transmit responses to the State, Bidders shall click “Submit Entire Response.” After clicking the “Submit Entire Response” button, Bidders are responsible to verify and validate any submitted response in Sourcing 3.0 to ensure their responses are accurate and complete prior to the bid closing time.

Bidders should allow sufficient time, prior to the Solicitation event period closing, to address any errors and resubmit revised responses.

To validate responses, please do the following before the Solicitation period ends:

Click the “Response History” link to confirm that your “submitted” response is visible, and, therefore, formally submitted.

Confirm that a status of “Accepted” displays next to your submitted response.

Click on the Reference number of your submitted bid response to review the submission.

Please check the following:

- Text boxes – Is your entire answer viewable?
- Yes/No questions – Are the displayed answers correct?

For technical assistance, contact the MFMP Customer Service Desk (CSD) at (866) 352-3776 or by email at [VendorHelp@MyFloridaMarketPlace.com](mailto:VendorHelp@MyFloridaMarketPlace.com). An amount of \$500.00 may be assessed for each day the Contractor is delinquent after the ten (10) day notice period ends, and that amount may be withheld from a Contractor's invoice. The rights and remedies of the State in this paragraph are not considered penalties and are in addition to any other rights and remedies provided by law.

### 4.5 Contract Overlap

The Contractor shall notify the Department of any legal actions filed against it for a breach of a contract of similar size and scope to this contract within 30 days of the action being filed. Contractor shall retain all documents related to this Contract in compliance with the rules of the Florida Department of State.

The Department may unilaterally terminate the Contract if the Contractor refuses to allow public access as required in this section. If, under this Contract, the Contractor is providing services, the Department may unilaterally cancel the Contract for refusal by the Contractor to allow access to all public records, including documents, papers, letters, or other material made or received by the Contractor in conjunction with the Contract, unless the records are exempt from section 24(a) of Art. If the Contractor considers any portion of materials made or received in the course of performing the Contract (“contract-related materials”) to be trade secret under section 812.081, Florida Statutes, or otherwise confidential under Florida or federal law, the Contractor must clearly designate that portion of the materials as “confidential” when submitted to the Department.

If the Department receives a public records request for contract-related materials designated by the Contractor as “confidential,” the Department will provide only the portions of the contract-related materials not designated as “confidential.” If the requester asserts a right to examine contract-related materials designated as “confidential,” the Department will notify the Contractor. The Contractor will be responsible for responding to and resolving all claims for access to contract-related materials it has designated “confidential.”

If the Department is served with a request for discovery of contract-related materials designated “confidential,” the Department will promptly notify the Contractor about the request. The Contractor will be responsible for filing, the appropriate motion or objection in response to the request for discovery. The Department will provide materials designated “confidential” only if the Contractor fails to take appropriate action, within timeframes established by statute and court rule, to protect the materials designated as “confidential” from disclosure.

Any renewal shall specify the renewal price, as set forth in the solicitation response. The renewal shall be in writing and signed by both parties, and is contingent upon satisfactory performance evaluations and subject to availability of funds.

#### **4.16 Cancellation**

The Department may unilaterally cancel this Contract for refusal by the service provider to comply with this section by not allowing public access to all documents, papers, letters, or other material made or received by the Contractor in conjunction with the Contract, unless the records are exempt from Article 1, section 24(a), Florida Constitution and Chapter 119.07(1), Florida Statutes

#### **4.17 Intellectual Property**

No subcontract entered into by the Contractor for performance of work required under the contract, shall in any way relieve the Contractor of any responsibility for the performance of duties under the contract. The Contractor shall assure that all tasks related to the subcontract are performed in accordance with the terms of the contract.

The Department supports diversity in its Procurement Program and requests that all subcontracting opportunities afforded by this solicitation enthusiastically embrace diversity.
