This License is being granted in consideration for the improvements that ANELI will be completing on the Premises.

4. Termination/Modification/Change or Revocation of License. The Parties acknowledge and understand that this Agreement may be terminated upon fifteen (15) day notice for convenience and immediately if the activity of ANELI poses a risk of harm to the public welfare. This Agreement may only be modified only by a mutual executed writing. ANELI acknowledges and understands that the permission to use the Premises being granted herein is limited to the Permitted Time and the Work and is revocable at any time. The City reserves the right to change the time of ANELI's use of the Premises and/or modify the scope of the Premises if there is a conflict with a previously approved, emergency and/or necessary City function that is or will be occupying the same area. In the event of emergency circumstances or in the event the City or City Manager finds a threat to the public health or safety is involved, this Agreement may be cancelled by City verbally, effective immediately, followed by prompt written confirmation. In the event of any such change, ANELI may request a different time and/or location to perform the Work. The Agreement shall terminate automatically at the expiration of the Permitted Time or pursuant to written notice given hereunder by either Party, effective upon the earlier of receipt or three days after transmittal by sender

Upon termination of this Agreement, ANELI shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure. Any compensation due to ANELI shall be withheld until all documents are received as provided herein. ANELI's failure or refusal to comply with the provisions of this section shall result in the immediate termination of this Agreement by the City.

13. No Joint Venture. Nothing in this Agreement shall be construed to create a joint venture, partnership or any other similar arrangement between City and ANELI. Nothing in this Agreement will be construed to affect in any way the City's rights, privileges, and immunities, including the provisions and monetary limitations of Section 768.28(5), Florida Statutes, which limitations are applicable regardless of whether such provisions would otherwise apply.

14. Governing Law. This Agreement shall be construed in accordance with the laws of the State of Florida. All of the parties to this Agreement have participated fully in the negotiation and preparation hereof and, accordingly, this Agreement shall not be more strictly construed against any of the parties hereto. In the event any term or provision of this Agreement is determined by appropriate judicial authority to be illegal or otherwise invalid, such provision shall be given its nearest legal meaning or be construed as deleted as such authority determines, and the remainder of this Agreement shall be construed in full force and effect. Time is of the essence with respect to all dates set forth herein. This Agreement constitutes the entire understanding and agreement between the parties with respect to the subject matter hereof and may not be changed, altered or modified except by an instrument in writing signed by the party against whom enforcement of such change would be sought. This Agreement may be executed in any number of counterparts, each of which shall be an original, and all of such counterparts together shall be deemed to constitute one original agreement. This Agreement shall not be recorded in the Public Records.

15. Assignment. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Nothing in this Agreement shall create or be deemed to create any third party beneficiary rights in any person or entity. Notwithstanding anything herein to the contrary, ANELI shall have no right to assign its rights or obligations under this Agreement. This Agreement shall not create an association, partnership, joint venture or principal and agency relationship between the City and ANELI.

16. Attorneys' Fees. The provisions of this Agreement may be enforced by all appropriate actions at law and in equity, including the right to seek specific performance of the terms and conditions of this Agreement and the right to seek damages upon the breach of this Agreement. The prevailing party in any action brought to enforce the terms and provisions of this Agreement shall be entitled to reimbursement of reasonable attorneys' fees and costs incurred at trial and all appellate levels.

17. Severability. If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be invalid or unenforceable to any extent, the remaining terms, covenants, conditions and provisions of this Agreement shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of the agreement between the parties.

18. Entire Agreement. This Agreement, which includes any Exhibits attached hereto and incorporated herein by reference, constitutes the entire agreement between the City and ANELI relating to the subject matter of this Agreement. No prior agreement, discussions or understanding pertaining to the same shall be of any force or effect, the same having been superseded by this Agreement.
