

RESOLUTION No. 15-138

A RESOLUTION OF THE MAYOR AND THE CITY COUNCIL OF THE CITY OF DORAL, FLORIDA, APPROVING THE INTERGOVERNMENTAL AGREEMENT BETWEEN THE CITY OF DORAL AND MIAMI-DADE COUNTY PUBLIC WORKS AND WASTE MANAGEMENT DEPARTMENT (MDCPWWMD) FOR THE INSTALLATION AND MAINTENANCE OF THE VANDERBILT PARK TRAFFIC CONTROL AND CALMING DEVICES; AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT; PROVIDING FOR IMPLEMENTATION; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the City of Doral (the “City”) completed a Traffic Calming Study for the Vanderbilt Park Community and developed mitigation improvements that will be implemented in two Phases (Phase 1 and Phase 2); and

WHEREAS, the City mailed out ballots to all the Vanderbilt Park residents to vote on the recommended Phase 1 and Phase 2 traffic calming improvements; and

WHEREAS, the City received the necessary two-thirds (2/3) votes from the Vanderbilt Park residents in favor of having the City implement the recommended Phase 1 and Phase 2 improvements ; and

WHEREAS, Miami-Dade County Public Works and Waste Management Department (“MDCPWWMD”) has jurisdiction over traffic control devices within the City of Doral and provided the attached Intergovernmental Agreement that needs to be executed by the City prior to the installation of the traffic control and calming devices; and

WHEREAS, the County and the City wish to enter into an Intergovernmental agreement substantially in substantially the form of the Agreement attached hereto as Exhibit “A”, which is incorporated herein and made a part hereof (the “Agreement”); and

WHEREAS, the City will be responsible for the installation and maintenance of these traffic control and calming devices, and assuming liabilities associated with the installation of said devices; and

WHEREAS, the City Council finds that entering into the Agreement is in the best interests of the City and its residents.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF DORAL, FLORIDA, AS FOLLOWS:

Section 1. Recitals. The above recitals are confirmed, adopted, and incorporated herein and made part hereof by this reference.

Section 2. Approval. The Intergovernmental Agreement, in substantially the form attached hereto as Exhibit "A", is approved. The City Manager is hereby authorized to execute the Agreement.

Section 3. Implementation. The City Manager and City Attorney are hereby authorized to take such action as may be necessary to implement the purpose and the provisions of this resolution.

Section 4. Effective Date. This Resolution shall take effect immediately upon adoption.

The foregoing Resolution was offered by Councilmember Fraga who moved its adoption. The motion was seconded by Councilmember Cabrera and upon being put to a vote, the vote was as follows:

Mayor Luigi Boria	Yes
Vice Mayor Sandra Ruiz	Yes
Councilman Pete Cabrera	Yes
Councilwoman Christi Fraga	Yes
Councilwoman Ana Maria Rodriguez	Yes

PASSED and ADOPTED this 5 day of August, 2015

EXHIBIT “A”

**INTERGOVERNMENTAL AGENCY AGREEMENT
TO PERFORM TRAFFIC ENGINEERING FUNCTIONS**

THIS INTERGOVERNMENTAL AGENCY AGREEMENT TO PERFORM TRAFFIC ENGINEERING FUNCTIONS (**AGREEMENT**), made and entered into this ____ day of _____, 2015 , by and between the (**name of municipality**), **FLORIDA**, a municipal corporation of the STATE OF FLORIDA, hereinafter referred to as the _____(**CITY, VILLAGE, TOWN**) and **MIAMI-DADE COUNTY (COUNTY)**, a political subdivision of the STATE OF FLORIDA, MIAMI-DADE County.

WITNESSETH

WHEREAS, pursuant to Section 2-96.1 of the Miami-Dade County Code, all traffic control and traffic engineering services in Miami-Dade County are under the exclusive jurisdiction of the **COUNTY**; and

WHEREAS, the _____(**CITY, VILLAGE, TOWN**) desires to assume the installation and maintenance responsibilities of certain traffic engineering functions pertaining to its local municipal streets only; and

WHEREAS, the **COUNTY** has determined that the _____(**CITY, VILLAGE , TOWN**) is both equipped and able to perform the traffic engineering functions as herein specified on its local streets; and

WHEREAS the _____(**CITY, VILLAGE, TOWN**) has, by proper resolution attached hereto and by reference made a part hereof, authorized its officer(s) to enter into this **AGREEMENT**.

NOW THEREFORE, the _____(**CITY, VILLAGE, TOWN**) and the **COUNTY** agree as follows:

1. The recitals set forth above are incorporated herein by reference.

2. The _____(CITY, VILLAGE, TOWN) will only install and maintain the following designated types of traffic control devices and only on those local municipal streets operated and maintained by the _____(CITY, VILLAGE, TOWN) within its boundaries:

(List devices)

Traffic calming devices may be installed on local municipal streets only after an appropriate traffic engineering study has been performed and sealed and signed plans have been submitted to the Public Works and Waste Management Department of the **COUNTY** for its review and approval.

3. The _____(CITY, VILLAGE , TOWN) shall attach a decal to the back of the sign panels indicating ownership and date of installation.

4. The _____(CITY, VILLAGE, TOWN) assumes sole and complete responsibility for the maintenance of all such signs that are installed by the _____(CITY, VILLAGE , TOWN) within its boundaries.

5. The _____(CITY, VILLAGE, TOWN) assumes sole and complete liability for any accidents and/or injuries which may or are alleged to occur or arise out of the installation, operation or maintenance of said traffic control devices, and hereby indemnifies and saves harmless the **COUNTY** from any and all claims of negligence as a result of the installation, operation or maintenance of said signs.

6. All traffic control signs installed by the _____(CITY, VILLAGE , TOWN) in accordance with this **AGREEMENT** shall conform to the applicable requirements established by the following publications:

Florida Department of Transportation's Standard Specifications for Road and Bridge Construction.

Manual on Uniform Traffic Control Devices for Streets and Highways, U.S. Department of Transportation Federal Highway Administration (ANSI D6.1e-1989), including latest revisions.

Standard Highway Signs, U.S. Department of Transportation, Federal Highway Administration.

Miami-Dade County Public Works Manual (available from the Public Works and Waste Management Department, Reproduction Services, 111 NW 1 Street, Suite 1604, Miami, FL 33128)

7. For installation of traffic control devices, the _____ (**CITY, VILLAGE, TOWN**) shall hire a **COUNTY** licensed contractor or perform the work in-house by the _____ (**CITY, VILLAGE, TOWN**) Public Works crew.

8. Should the _____ (**CITY, VILLAGE, TOWN**) install street name signs at the same site where a stop-top street name exists, then the _____ (**CITY, VILLAGE, TOWN**) shall utilize the other corners of the intersection. Subsequently, the (**CITY, VILLAGE, TOWN**), shall remove the **COUNTY'S** stop-top street name signs by an approved sign contractor. All signs and hardware removed shall be dismantled and returned to the Traffic Signals and Signs Division of the **COUNTY'S** Public Works and Waste Management Department.

9. The _____ (**CITY, VILLAGE, TOWN**) shall be responsible for keeping records of any and all installations and repairs, and furnishing pertinent documents as and when said records may be requested.

10. Failure to carry out any of the duties and responsibilities assumed herein by the _____ (**CITY, VILLAGE, TOWN**) may result in termination of this **AGREEMENT**, at the sole discretion of the **COUNTY**.

IN WITNESS WHEREOF, the **CITY** and the **COUNTY** have set their hands the day and year above written.

Subject: Vanderbilt Park Traffic Calming Study - Report and Appendices

Good morning Mr. Gomez,

A review has been completed for Vanderbilt Park traffic calming study. As a result of the review, we have no objections for the City to install phase 1 and phase 2 in this community funded through the municipality's traffic calming program. If the City is willing to proceed with the construction, please submit signed and sealed design plans for our review. In addition, the following must also be provided:

- Letters from affected entities such as Police, Fire, and Solid Waste Departments stating that they concur with the aforementioned traffic flow modifications and their services will not be adversely impacted.
- Concurrence from the affected residents/property owners as per attached policy. In lieu of concurrence from the affected residents/property owners, the City Commission may pass a resolution after a public hearing.
- An executed Intergovernmental Agreement (see attached). The City will be responsible for the installation and maintenance of these traffic control and calming devices, and assuming liabilities associated with the installation of said devices.

Should you have any questions or require any additional information, please do not hesitate to contact me or Mr. Muhammad Khan, P.E., PTOE, PTP, at (305) 375-2030.

Thank you,

Good evening Dr. Shen,

Please advise on the status of your review of the Vanderbilt Park Traffic Calming Study. We had tentatively planned to hold the Final Public Workshop on March 18, however we wanted to ensure we have your consensus on the study recommendations and as such have postponed the meeting.

Please advise if you have any questions.

Thanks and regards,

Jorge A. Gomez, P.E.

Vanderbilt Park Traffic Calming Results

In December 2014 the City of Doral Public Works Department began the process of performing a Traffic Calming Study to evaluate and recommend improvements that will enhance the livability within the Vanderbilt Park community. The City solicited the residents' input every step of the way through two Public Workshops.

The Kick-off Public Workshop was held on Thursday, December 11, 2014 at the Doral Government Center. This Workshop offered residents the opportunity to voice their concerns on traffic related issues in the neighborhood and ensured staff was conducting the necessary traffic data collection to address the residents' needs.

Once the data was collected, analyzed and recommended improvements were developed, Doral Public Works Department coordinated with Miami-Dade County to have the study's findings and recommendations approved. On Thursday, April 9, 2015, the Final Public Workshop was held at the Doral Government to present the study findings and the Miami-Dade County approved improvements. The recommendations are provided in two phases. Phase I does not require construction and can be implemented much sooner through the addition of signage and pavement markings. Phase 2 requires roadway construction and therefore will need to be implemented in stages. A copy of the Presentation may be found below.

[Vanderbilt Traffic Calming Presentation 2nd Workshop 4-9-2015](#)

In May 2014 the City of Doral mailed out 206 ballots to all the residents that live within the Vanderbilt Park community and the City received 84 completed ballots. From those ballots received, the Vanderbilt Park Community that voted 74% are in favor for Phase I improvements and 26% are not in favor of the Phase I improvements. Similarly, from those ballots received, the Vanderbilt Park Community that voted 72% are in favor for Phase 2 improvements and 28% are not in favor of the Phase 2 improvements. Miami-Dade County requires that two-thirds (2/3) of the community agree with the proposed improvements prior to installation. The results of the ballots are provided below.

Vanderbilt Park Traffic Calming
2014 Ballot Results

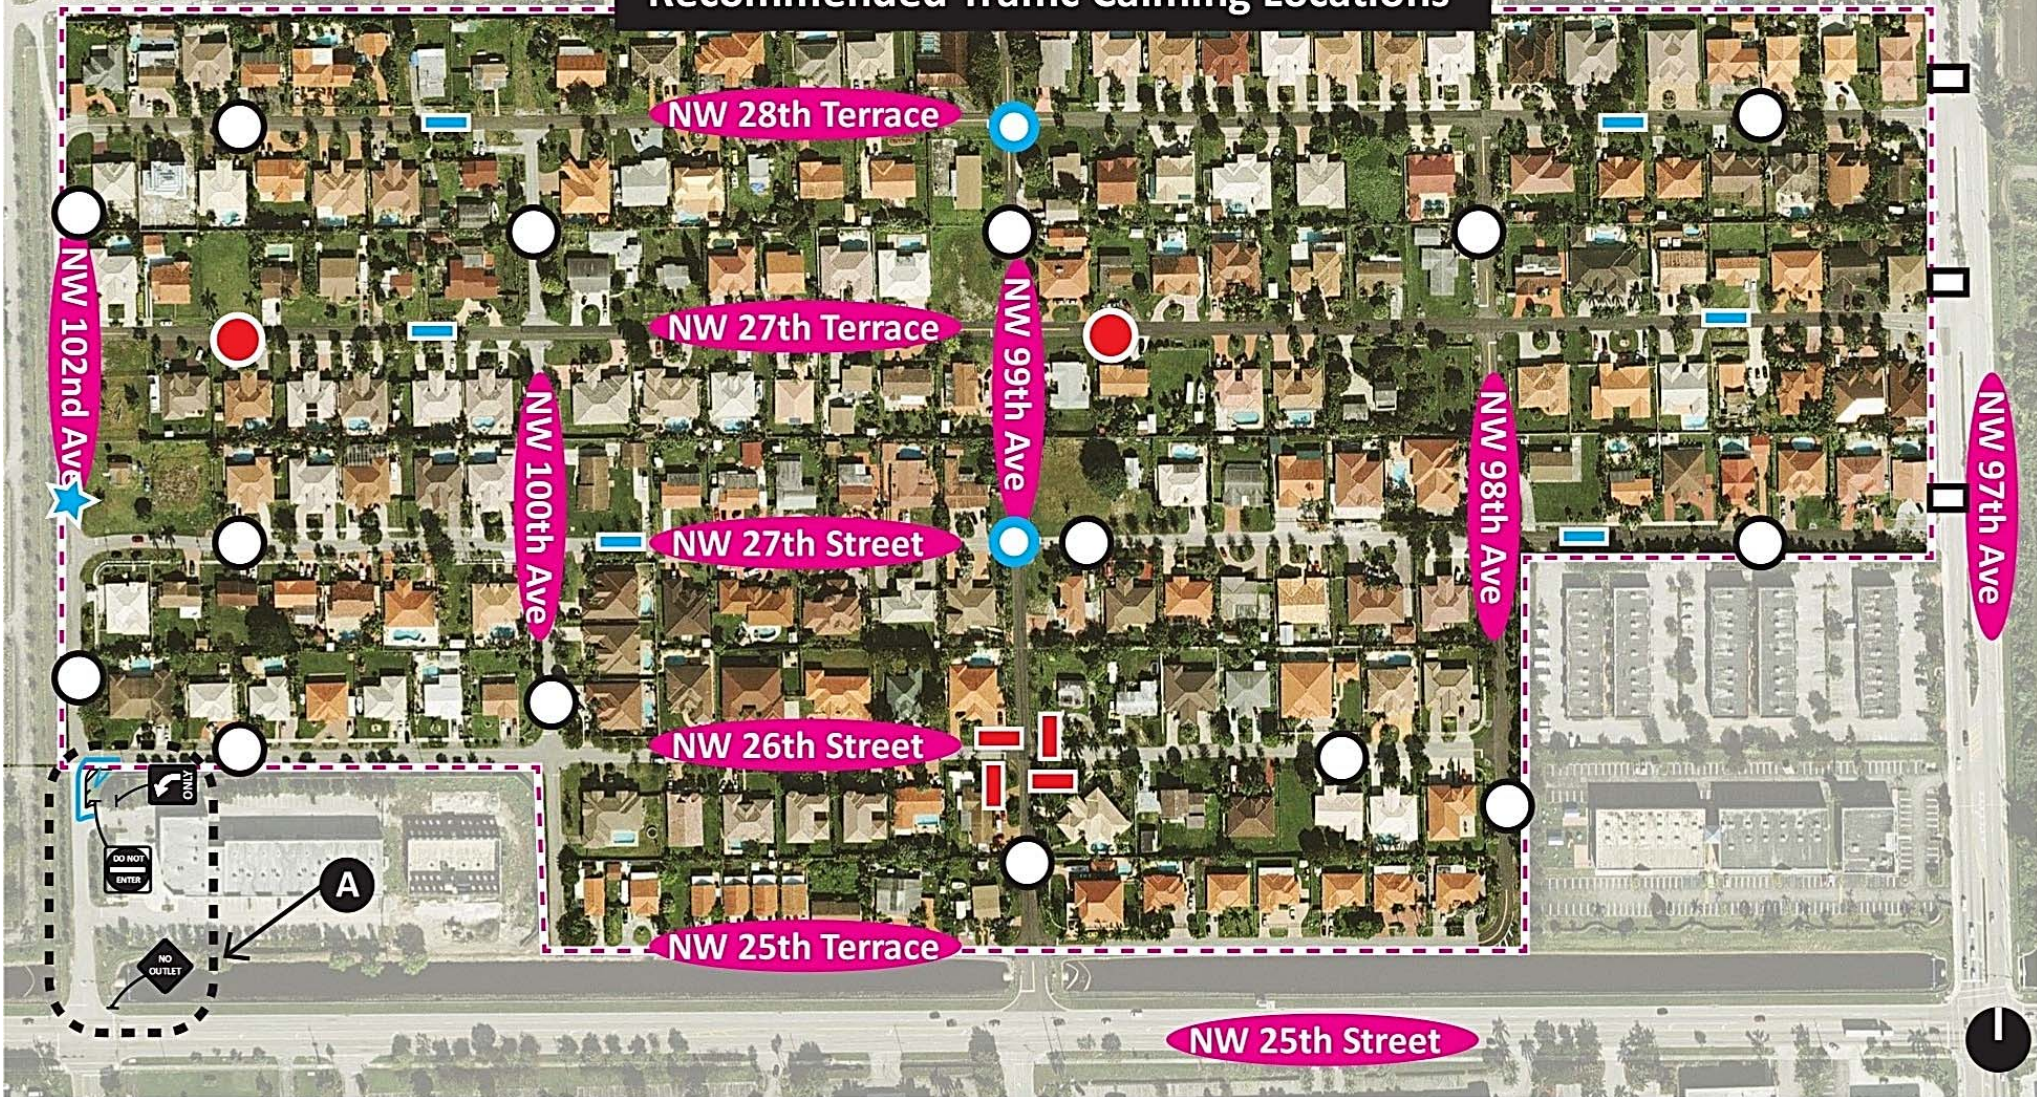

Phase	For		Against	
1	58	74%	20	26%
2	58	72%	23	28%

Note: Results are as May 29, 2015.
