SEE EXHIBIT A

WHEREAS Grantor wishes to grant an easement for the construction, placement, maintenance and use by the general public of a bike & pedestrian pathway and related facilities over, under, across and upon the Easement Property.

1. Grant of Easement. Grantor does hereby grant and convey to Grantee a non-exclusive Easement over, under, across and upon the Easement Property for the construction, placement, maintenance and use by the general public of a bike & pedestrian pathway and related facilities.

2. Use of Easement.

(a) Grantee shall have the right to do all things reasonably necessary for the purposes set forth in Section 1, except to the extent that such uses are inconsistent with the existing 25-foot canal maintenance easement granted to Miami-Dade County in Tract "A" of the F.T.Z. SUBDIVISION Plat recorded in Plat Book 153, Page 35, of the Public Records of Miami-Dade County, Florida. Grantee's uses that exceed the construction, placement, maintenance and use by the general public of a bike & pedestrian pathway and related facilities shall be subject to Grantor approval in its sole discretion.

3. Title. Grantor does hereby warrant that it has title to the above described property, that it has full power and authority to grant this Easement, and that it will defend title to said land against the lawful claims of all persons whomsoever, claiming by, through or under it.

4. Term. This Grant of Easement shall be in effect for a term of thirty (30) years, commencing on the effective date hereof, and shall renew automatically for successive ten (10) year period(s) unless terminated sooner by either Party as provided for herein. The effective date of this Easement shall be the date on which all Parties hereto fully execute it ("Effective Date"). The Parties further understand and agree that this Easement is subject to automatic reversion to Grantor in accordance with terms and conditions hereof, including but not limited to, in the event of expiration, abandonment, termination, cancellation, unauthorized assignment or material default.

5. Covenants of Grantor. Grantor hereby warrants and covenants the following:

(a) Grantor and Grantee acknowledge that the Easement Property is subject to an existing maintenance easement between the Grantor and Miami-Dade County, and that the existing encumbrance is not in conflict with this easement.

(b) The Easement Property is free and clear of all encumbrances that are inconsistent with the terms of this easement and all mortgages have been joined or subordinated.

(c) Grantee shall have quiet and peaceful possession, use and enjoyment of this Easement.

6. Remedies for Breach. Grantor and/or Grantee shall each have the right to enforce the terms of this Easement and the rights and obligations created herein by all remedies provided under the laws of the State of Florida, including without limitation, the right to sue for damages for breach or for injunction or specific performance. In the event that it is necessary for either

Grantor and/or Grantee to file suit in order to enforce the terms hereof, then each party in such suit shall be responsible to pay their own attorney's fees and court costs.

7. Indemnification. Subject to the limitations set forth in Section 768.28, Florida Statutes, Grantee shall indemnify and hold Grantor, its successors or assigns, harmless against any injuries, damage or claims which may arise from Grantee's use or the use by any permitted invitee, of the Easement Property, except to the extent arising from Grantor's negligence or willful misconduct.

8. Third Party Beneficiaries. This Easement is solely for the benefit of the Grantor and the Grantee and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Easement. Nothing in this Easement, either expressed or implied, is intended or shall be construed to confer upon any person or corporation other than the Grantor and the Grantee any right, remedy or claim under or by reason of this Easement or any of the provisions or conditions thereof; and all of its provisions, representations and conditions shall inure to the sole benefit of, and shall be binding upon, the Grantor and the Grantee, and their respective legal representatives, successors and assigns.
