Sub: Request for Information – Painted green bike lanes

Good morning Mr. Arroyo,

We are the contractor performing work for the City of Doral on Project Number: ITB # 2019-12 identified as a push button contract. A recent work order for striping has been awarded to us. The contract plans and specifications for this job require us to install the bike path with “Patterned Pavement – Green Bike Lanes”. This work is to be performed by Atlantic Paving. The price for this item was included in our proposal that was approved by the City of Doral when it awarded HJ the Contract.

We are currently experiencing issues with the completion of the “Painted Green Bike Lanes” item, as with this item there is only one qualified company to perform this particular scope of work in the state. The company, Atlantic Paving has been in litigation with the state due to issues with the quality of their material. Therefore, we currently do not have a supplier to perform “Painted Green Bike Lanes” in this contract as the state has moved away from this method.

H & J Asphalt, Inc respectfully request the City of Doral to change this pay item to “Preformed Green Bike Lanes,” on our contract and allow us to negotiate a fair price that is beneficial to both entities. The “Preformed Green Bike Lanes” is of superior quality than the “Green Paint”, is of the same material of the crosswalk zebras that are installed throughout the city and the county and there is a big pool of contractors able to perform installation. In terms of costs, the “Preformed Green Bike Lanes” cost is \$95.00 per/SY while the cost of the green paint is \$35.00 per /sy.

If the City of Doral has any questions or suggestions on how to proceed with this issue, please feel free to discuss with us.
