City of Doral

Chevys has been hosting Cinco de Mayo fiesta since 1996. We have become the number one destination for this great cultural event. We are committed to organizing a fun and safe event for all our patrons and guests. Cinco de Mayo is a signature event in the heart of Doral and signifies the battle of Puebla in 1847 where Mexico defeated the French forces in an important victory to ensure themselves of independence. This historical event signifies freedom and is celebrated in all Mexican Restaurants all around the world.

Cinco de Mayo has become a marquee event in the City of Doral where we celebrate this great cultural event with Live Mariachis and Great Mexican Food.

The following information and measures are going to be taken to insure a successful and safe event:

1. Security- we have contracted City of Doral Miami Dade police to provide security for the event. A total of 5 police officers with one sergeant will be securing the event. In addition a team of 6 private security personnel will assist in the security and organization of the event.
2. Restrooms- We are renting 9 portable toilets plus two handicap toilets for a total of 11 restroom outside.
3. Master of Ceremonies- We will utilize the services of a professional master of ceremonies to coordinate safety, responsible drinking and directing crowd and also insuring guests are parking in the proper areas.
4. Parking- We have received permission from Adler Management Company for the use of their parking areas. We had to provide insurance information liability and a deposit was given. We are responsible for the clean-up of their parking lots after the party and

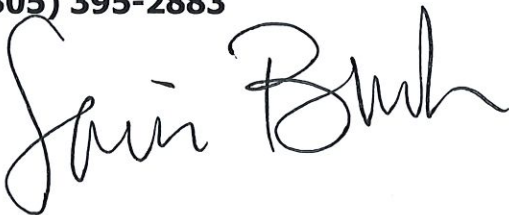

provided them a \$3,000 deposit for guarantee. We also provided them with our insurance information listing them as secondary insurers.

5. All our flyers and ads in the newspapers encourage responsible alcohol consumption.
6. Cleanup- We have contracted the services of a cleaning crew during the event to maintain a clean and safe environment they will also be back in the morning to complete a detail cleaning of all surrounding areas.
7. Responsible alcohol service, with the partnership of our vendors we are using two computerized ID machines, placing wrist bands on all guests over 21.
8. Lighting- we have six double lighting poles, each with 1,000 watts. In addition we will have extra lighting all through-out the event

Once again, we are committed and determined to organize a great fun event and safe for everyone.
