LTC No.: 118-2017

To: The Honorable Mayor and Members of the City Council

From: Edward A. Rojas, City Manager

Date: October 17, 2017

Subject: **Arson Investigation DR-17103-020795**

This Letter to Council (LTC) is to inform the Mayor and City Council-members of a vehicle fire that occurred within the Islands of Doral.

On October 13, 2017, at approximately 10:18 P.M., Doral Police Officers (DPD) responded to a vehicle fire at 10976 N.W. 84 Street. Miami- Dade Fire Department (Aerial 46) also responded but the vehicle had been extinguished upon their arrival. The owner of the vehicle arrived on the scene, and he immediately alleged that the vehicle was intentionally set on fire. The victim/owner informed DPD that his ex-girlfriend had threatened to burn his vehicle and he suspected that she carried out the threat. DPD requested the assistance of the Miami-Dade Fire Arson Investigator who responded on October 14, 2017. The Arson Investigator processed the vehicle and the evidence collected will be submitted to the Miami-Dade Police Department Crime Lab for further examination. At this time, the preliminary investigation indicates that the vehicle was intentionally set on fire.

The DPD is committed to work with the Miami-Dade Fire Arson Investigator and Miami-Dade Police Department to identify and arrest the offender. The investigation continues and further information will be provided when obtained.
