GRIEVANCE AND ARBITRATION PROCEDURE

1. A grievance is defined as a dispute involving the interpretation or application of the collective bargaining agreement. Appeals of disciplinary action will be handled pursuant to Article 25, Disciplinary Appeals.

2. It is agreed, with respect to this grievance and arbitration procedure, that:

A. A time limit at any stage of the grievance procedure may be extended by written mutual agreement of the PBA and the City Manager. No extension of time shall be inferred by any conduct or by verbal exchanges between the parties.

B. All grievances shall be dated and signed by a PBA representative. Any decision rendered shall be in writing and shall be dated and signed by the City's representative at that step.

C. The City shall not be required to process a grievance and that grievance shall not be forwarded to arbitration unless the grievance contains all of the following:

1. a reasonably detailed statement of the grievance and facts upon which it is based;

2. the section or sections of this agreement claimed to have been violated;

3. the remedy or correction requested.

D. All grievance hearings will be conducted during normal business hours.

E. Any grievances filed on behalf of or for the benefit of multiple employees may be filed as an "Association Grievance".

F. Should an employee file a grievance without the aid of the PBA, notice of the filing of the grievance and each step thereafter shall be provided to the PBA, and a PBA representative shall be present at the Step 1 and Step 2 meetings.

3. Grievances will be processed in the following manner and strictly in accordance with the following stated time limits.

Step 1: The PBA shall present the grievance, in writing, to the Police Chief, within 14 days of the act or omission which gave rise to the grievance. If both parties agree, the Police Chief shall, within 14 calendar days of receipt of the written grievance, conduct a meeting with the PBA. The Police Chief shall notify the PBA in writing of the decision not later than 14 calendar days following the meeting date, or not later than 14 days of filing grievance if no meeting is held. The failure to respond shall be deemed a denial of the grievance.

Step 2: If the grievance is not fully and conclusively resolved at Step 1, the PBA, within 14 calendar days of receipt of the answer provided in Step 1, may forward a copy of the original written grievance to the City Manager with a separate cover letter stating that the grievance is being advanced to Step 2. If both parties agree, the City Manager shall hold a meeting with the PBA regarding the grievance. The City Manager shall notify the grievant and the PBA of the City Manager's decision within 14 calendar days following receipt by the City Manager of the grievance, or not later than 14 days after the filing of the grievance at Step 2 if no meeting is held. The failure to respond shall be deemed a denial of the grievance.

4. If the grievance is not resolved by the foregoing grievance procedure, the PBA, within fourteen (14) calendar days after the City Manager's decision in Step 2, may give to the City Manager a written notice of its desire to submit the matter to arbitration; said written notice to include a written statement of the position of the PBA with respect to the unresolved grievance. No grievance shall proceed to arbitration without the PBA's approval.

5. Within fourteen (14) calendar days from receipt of such notice, the parties shall confer to select an arbitrator. In the event the parties fail to agree on an arbitrator, both parties shall, within fourteen (14) calendar days, jointly request a list of seven (7) qualified arbitrators from the American Arbitration or the Federal Mediation and Conciliation Service. Each party shall have the right to strike one list in its entirety and if a party strikes such list shall pay the cost of requesting another list of seven (7) qualified arbitrators from the American Arbitration Association or the Federal Mediation and Conciliation Service. The PBA and then the City will alternately eliminate one at a time from said list the names of persons not acceptable until only one remains and this person will be the arbitrator. The City and the PBA will alternate in the right to first strike arbitrators.

6. As promptly as possible after the arbitrator has been selected, he shall conduct a hearing between the parties and consider the grievance. The decision of the arbitrator will be served upon the City and the PBA in writing. It shall be the obligation of the arbitrator to rule within thirty (30) calendar days after the hearing. The expense of the arbitration, including the fee and expenses of the arbitrator, will be paid equally by the parties. Employees subpoenaed by the PBA to attend an arbitration hearing, if on duty, shall be released from duty and may attend the hearing with pay for their duty hours.

7. The submission to the arbitrator shall include the written grievance as submitted in Steps 1 and 2 of the grievance procedure, and shall include a copy of this agreement.

8. The power and authority of the arbitrator shall be strictly limited to an interpretation of the express terms of this agreement. He shall not have the authority to add to or subtract from or modify any of said terms, or to limit or impair any right that is reserved by this agreement to the City or the PBA or the employees, or to establish or change any wages or rate of pay in this agreement.
9. No decision of any arbitrator or of the City in one case shall create a basis for retroactive adjustment in any other case.
10. The arbitrator shall have authority to determine any claim for back pay.
11. The decision of the arbitrator shall be final and binding on both parties, and the grievance shall be considered permanently resolved, subject to any judicial relief available to either party under Florida law.
12. The arbitrator will retain jurisdiction for a period of a minimum of thirty (30) day following issuance of the arbitrator's decision to address post-ruling disputes or requests for clarification.
13. The arbitrator shall not be bound by a prior arbitrator's decision or award although the arbitrator may give it such weight as they deem proper.
