**WHEREAS**, the City of Doral (the “City”) Parks System Master Plan is an important planning tool as it evaluates the city’s current park facilities, identifies potential future park space, and provides vital feedback from residents on the types of programs and amenities they would like to see in their park system. In addition, this plan serves as a guide for the Parks & Recreation Department for future programs and capital projects; and

**WHEREAS**, since the original Parks System Master Plan which was adopted in 2010 (Resolution #10-110), the City of Doral has changed dramatically. The rapid population growth has led to increased demand and need for parks and green space; and

**WHEREAS**, in order to stay current and aware of the recreational needs of our community, an update to the previously adopted Parks System Master Plan was needed; and

**WHEREAS**, on August 11, 2015, the City Council approved the award of Request For Qualification 2015-05, “Parks Master Plan Update” to Browning Day Mullins Dierdorf (“BDMD”) and authorized the City Manager to negotiate and enter into an agreement with BDMD. As part of this master plan update, BDMD was to also develop and present a conceptual design for the future development of Doral Central Park; and

**WHEREAS**, staff has worked diligently with BDMD on the update to the previously adopted Parks System Master Plan; and

**WHEREAS**, staff recommends City Council approval to adopt the updated Parks System Master Plan as presented herein as Exhibit “A”.
