

Thank you for applying to the City of Doral Students in Action Volunteer Program!

In order to begin your volunteering please read over this brief volunteer guide to help you proceed to the next step!

What does a Volunteer Do?

In our Students in Action program we allow our volunteers to participate in various park activities. Whether it is volunteering for a Special Event or one of our Park Programs, volunteers are able to interact with others and learn the fundamentals of customer service and other skills that can be used in everyday life. As a volunteer for the City of Doral you are an essential piece to our great success!

How do I begin to volunteer?

At the end of each month an email will be sent to you with the Students in Action Newsletter. The Newsletter shows various activities that are available for that month including dates and times. Then it is your responsibility to reply to that email simply with the name of activity you are interested in to RSVP!

When you receive that email be sure to reply as quickly as you can! Those opportunities are first come first serve and spots are limited!

What do Volunteers wear?

The Students in Action dress code is simply khaki pants, athletic sneakers and the Students in Action Volunteer shirt. The volunteer shirt will be given to you on your first day of volunteering. Also, khaki shorts are accepted as long as they are an appropriate length.

How do I cancel my RSVP?

When you are unable to attend an event or program you have already been confirmed for simply send an email to us. There are no penalties for cancelation. By canceling ahead of time you are allowing other volunteers the opportunity to volunteer!

How do I request for my community hours?

It is simple! You will need to fill out a Volunteer Verification Request Form in order to obtain your hours. Simply write your name, the date needed by and an email that I can reach you on the form along with the months you are requesting! This form can be found either at Morgan Levy Park, City of Doral Website or the form can be emailed to you upon request. Hours will be processed and returned to Morgan Levy Park for pick up within 7-10 days of the request. An email will be sent to you when the hours are ready for pick up with the receptionist at Morgan Levy Park.
