## Rider's Guide and DTS Rules

We strive to provide a safe, efficient, and high quality service to all passengers. To ensure that we are able to meet these service goals, passengers are asked to abide by the following DT guidelines and rules.

### Guidelines:

- Plan to be at your trolley stop five minutes before the scheduled arrival time.
- Look for DTS stops signs which are blue; route(s) served are listed below each sign along with the stop number.
- As the trolley approaches, check the sign on the front and/or side of the trolley to make sure it is following your desired route; signal the operator that you wish to board.
- Riding at night? Wear light-colored clothing and wave your cell phone, flashlight or safety strobe to alert the operator as your trolley approaches.
- When you want to get off, pull the bell cord or push the plastic strip near the window to request the next stop.
- All trolleys are ADA/wheelchair accessible. Ask the operator for assistance boarding the trolley.
- Bring your bike, signal the operator then load your bike onto the rack on the front of the trolley, or if you have a folding bike, just bring it with you on-board.
- Lost something on-board, call DTS at 305-593-6740; remember DTS is not responsible for articles left on the trolley.
- If you see suspicious behavior/package contact Doral Police non-emergency number at 305-593-6699, or if there is an emergency or unsafe situation on board, please dial 911.

### Rules, Respect the Rider:

- Smoking, eating, drinking and weapons are not permitted on the trolley.
- When finding a place to sit or stand, be a good neighbor and kindly show consideration for older people, passengers with disabilities, pregnant women, and families with small children.
- Maintain the aisles and doors clear to not restrict passenger movement or the evacuation of the trolley in an emergency situation (stand behind the white line).
- Keep all limbs and personal belongings within the trolley at all times.
- Be courteous to your fellow passengers by using headphones to listen to audio devices.
- Pet boarding? Only service animals are allowed on-board.
- The operator is concerned for the safety of all passengers and will be glad to answer questions once the bus has come to a complete stop.
- For further safety guidelines and information, please visit our website at [www.CityofDoral.com/trolley](http://www.CityofDoral.com/trolley).
- DTS meets American with Disabilities Act (ADA) requirements and complies with Title VI of the Civil Rights Act of 1964.
