   a. Motion to approve August 20th, 2026 meeting minutes made by the board. By consensus, motion passes unanimously.

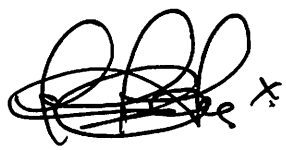

6. **Discussion Items**
   a. **Women's 360 Serie de Eventos**
      The board proposed that before diving into the English event planning, they can recap takeaways from the Spanish event that was just held a couple of days ago.

Regarding the attendance, it was a very successful event. There were around 75-80 guests. The only complaint one of the board members had was about who the event was targeted at. They felt that the event should've targeted a middle aged/younger generation, and they are asking how they can make it possible to target that audience to attend. The board agreed that communication is very important and an excellent idea that was brought up was to have the speakers do snippets of what they're going to discuss, so Public Affairs can promote that video on all their social media platforms.

b. **New Date for Women's 360 English Version**
The board needs to confirm with speakers by this week, so they can start working on the event. A date for the English event hasn't been confirmed but Maggie will be sending out an email with the confirmed date. The board does want the English event to be held at Doral Central Park just like the Spanish event.
Ms. Florencia Dittler showed interest in being one of the speakers for the upcoming event. She spoke about herself and what she could bring to the community. She is the founder of Alimentacion Sin Vueltas and hopes to bring her experience and passion for food education to this community.

7. **Adjournment:** Meeting adjourns at 9:37 a.m.
