IMPORTANT NOTICE REGARDING YOUR PREMIUM

State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for automobile insurance is determined by many factors such as the coverages you have, where you live, the kind of car you drive, how your car is used, who drives the car, and information from consumer reports.

Your premium was determined by information from consumer reports: Number of retail consumer initiated inquiries in the last 24 months; Number of retail accounts; Number of consumer initiated inquiries in the last 12 months

with 30-day exceptions; Percent of accounts paid as agreed in the last 24 months to total accounts.

IMPORTANT INFORMATION ABOUT UNINSURED MOTOR VEHICLE COVERAGE

Now is a good time to consider either adding Uninsured Motor Vehicle Coverage, or increasing your limits for this coverage. This coverage protects you, your resident family members and your passengers in the event of bodily injury sustained in an accident for which an unidentified, uninsured, or underinsured driver is legally liable.

You have the right to choose one of these options:

a. select stacking coverage (U) with any available limits up to your bodily injury liability coverage limits, which means that if more than one Uninsured Motor Vehicle Coverage applies, the limits for the applicable coverages may be added together (Stacking is not available for policies with a named insured that is not a natural person);

b. select, at a reduced premium, non-stacking coverage (U3) with any available limits up to your bodily injury liability coverage limits, which means the Uninsured Motor Vehicle Coverage limits are not added together in most circumstances. The non-stacking coverage on this policy is not available to persons injured while occupying a motor

IMPORTANT INFORMATION ABOUT PREMIUM SAVINGS FOR NO-FAULT COVERAGE

(Coverage P - Personal Injury Protection Insurance)

For personal injury protection insurance, the named insured may elect a deductible and to exclude coverage for loss of gross income and loss of earning capacity ("lost wages").

These elections apply to the named insured alone, or to the named insured and all dependent resident relatives. A premium reduction will result from these elections. The named insured is hereby advised not to elect the lost wage exclusion if the named insured or dependent resident relatives are employed, since lost wages will not be payable in the event of an accident.

Please contact your agent for information about No-Fault premium savings.

SURCHARGES AND DISCOUNTS

AUTOMOBILE RATING PLAN - Applies to private passenger cars only.

Accident-Free Discount - Once your policy has been in force for at least three years with no chargeable accidents, you may qualify for our Accident-Free Discount. Once you qualify, this discount applies as long as there are no chargeable accidents, and may even increase over time.

Good Driving Discount - Newer policyholders who do not yet qualify for our Accident-Free Discount (available after three years with no chargeable accidents) may already be receiving a Good Driving Discount. This discount continues to apply until your policy qualifies for the Accident-Free Discount as long as there are no chargeable accidents and no new drivers. If you add new drivers, they must also qualify in order for your Good Driving Discount to continue.

Chargeable Accidents - For new business rating, an accident is chargeable if it results in \$750 or more of damage to any property. For renewal business, an accident is chargeable as of the date State Farm pays at least \$750 (for accidents occurring on or after April 1, 1999) under

property damage liability and collision coverages for an at-fault accident.

Surcharges - If there are chargeable accidents, you may lose your Good Driving Discount or Accident-Free Discount and receive accident surcharges. But if the accident is the first to become chargeable in nine years and this policy has been in force for at least that long, the Accident-Free Discount will continue and no surcharge will apply. The surcharge for each accident depends upon the number and timing of the accidents, and each accident surcharge will remain in effect up to three years.

Surcharges will be removed if the company is given satisfactory evidence that the driver involved is no longer a member of the household or will not be driving the car in the future. If that driver is insured on another State Farm policy, his or her driving record will be considered in the rating of the other policy.

These discounts and surcharges do not apply to all coverages. For complete details, see your State Farm agent.

ADDITIONAL INFORMATION

If any information on this renewal notice is incomplete or inaccurate, or if you want to confirm the information we have in our records, please contact your agent. For additional

information regarding discounts or coverages, see your State Farm agent or visit statefarm.com®.

Buying a new car? Remember to contact your agent!

When you buy an additional car or one that replaces a car already on your policy, you need to report the change to your agent **promptly**. Even though the dealership you purchased the car from may offer to notify your agent or insurance company, you, as the named insured, are responsible for reporting all changes to your auto policy. By contacting your agent, you can help:

- avoid any complications or lack of coverage in the event of an accident or loss,
- avoid insurance verification problems with a lienholder, the police, or the department of motor vehicles, and
- ensure that you receive any new discounts you may be entitled to.

Your current State Farm policy automatically provides certain coverages for a new or replacement car for up to a specified, limited number of days after you take possession of the car. Please refer to your policy for the number of days that applies in your state.

If you have any questions about coverage for a newly acquired car, please contact your State Farm agent.

Disclaimer: This message is provided for informational purposes only and does not grant any insurance coverage. The terms and conditions of coverage are set forth in your State Farm Car Policy booklet, the most recently issued Declarations Page, and any applicable endorsements.
