Florida Statute 448.095 directs all public employers, including municipal governments, to verify the employment eligibility of all new public employees through the U.S. Department of Homeland Security's E-Verify System, and further provides that a public employer may not enter into a contract unless *each* party to the contract registers with and uses the E-Verify system.

Florida Statute 448.095 further provides that if a contractor enters into a contract with a subcontractor, the subcontractor must provide the contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien.

In accordance with Florida Statute 448.095, all contractors doing business with the City of Doral, Florida, are required to verify employee eligibility using the E-Verify system for all existing and new employees hired by the contractor during the contract term. Further, the contractor must also require and maintain the statutorily required affidavit of its subcontractors. It is the responsibility of the awarded vendor to ensure compliance with E-Verify requirements (as applicable). To enroll in E-Verify, employers should visit the E-Verify website (<https://www.e-verify.gov/employers/enrolling-in-e-verify>) and follow the instructions. The contractor must, as usual, retain the I-9 Forms for inspection.

By affixing your signature below, you hereby affirm that you will comply with E-Verify requirements.
