

**INTERLOCAL AGREEMENT
BETWEEN
MIAMI-DADE COUNTY
AND THE
CITY OF DORAL**

This Interlocal Agreement (“Agreement”) is entered into by and between Miami-Dade County hereinafter referred to as (“the County”) and the City of Doral, herein after referred to as (“Doral”), both of which are political subdivisions of the State of Florida (collectively, the “Parties”). The “Effective Date” of this Agreement shall be the date upon which the Agreement is executed by all Parties. Prior to effectiveness, this Agreement and subsequent amendments thereto shall be filed with the clerk of the circuit court in Miami-Dade County pursuant to section 163.01(11), Florida Statutes. The Parties agree as follows:

WHEREAS, the Miami-Dade Fire Rescue Department (“MDFR”) is a department of the County that provides review and approval of building permits as it relates to fire safety provisions of the Florida Statutes, Florida Building Code, Florida Fire Prevention Code and the Miami-Dade County Code of Ordinances; and

WHEREAS, the City of Doral, through its Building Department, is responsible for the review, processing, issuance, and inspection of building permits to ensure that construction within the city complies with the provisions of the Florida Building Code, the Miami-Dade County Code of Ordinances, and any relevant City Ordinances within its city limits; and

WHEREAS, Doral is responsible for submitting building permits to MDFR to assure the review, processing, and inspection of building permits to ensure that construction within the city complies with the provisions of the Florida Statutes, Florida Fire Prevention Code, the Miami-Dade County Code of Ordinances, and any relevant Codes and Standards within its city limits; and

WHEREAS, Doral is committed to providing exceptional customer service to ensure its patrons and design professional community are afforded efficient services for the review, processing, and issuance of building permits, and conducting related building inspections within its city limits; and

WHEREAS, MDFR is responsible for the review and processing of building permits and conducting building inspections to ensure that construction within the City of Doral complies with the provisions of the Florida Statutes, Florida Fire Prevention Code, the Florida Building Code, the Miami-Dade County Code of Ordinances, and any relevant Codes and Standards within Doral’s city limits; and

WHEREAS, MDFR is committed to providing exceptional customer service to ensure that Doral’s patrons and design professional community are afforded the efficient services for review,

processing, of building permits and related building inspections within its jurisdictional county limits.

WHEREAS, the Parties desire to establish a formal arrangement for the provision of a dedicated clerical assistant at Doral's main office to provide customer service assistance to the design professional community, patrons and employees in need of guidance through the MDFR review and inspection process.

NOW THEREFORE, this Agreement outlines the terms under which the County through MDFR shall provide a dedicated customer service representative at Doral's main office to facilitate and enhance customer service for building permits and related inspections.

1. SCOPE OF SERVICES:

The services to be provided under this Agreement are anticipated to commence within thirty (30) days of the Effective Date of the Agreement. MDFR shall provide a customer service representative to facilitate and provide direct support to all persons needing assistance in the MDFR plans review and inspection process as follows:

- a. **Services:** MDFR customer service representative will report to Doral's main office as a director of first impressions to provide direct assistance to customers needing guidance for plans submittal, and inspections scheduling to MDFR. The customer service representative shall have no authority to approve or deny permits, waive requirements, bind the Parties, or provide final determinations. The customer service representative will provide the following support:
 - i. Submitting, construction plans for review: The customer service representative will provide guidance and direction on how to submit plans through the Miami-Dade County Regulatory and Economic Resource (RER) portal for review;
 - ii. Scheduling Fire Plans Processor meetings: The customer service representative will provide guidance and direction on how to schedule weekly free design professional meetings with the MDFR's Plans Processors to discuss disapproval comments;
 - iii. Scheduling Pre-submittal and Technical design meetings: The customer service representative will provide guidance and direction on how to schedule and pay for a Special Request Technical Meeting with multiple reviewers to discuss projects in greater detail;
 - iv. Submitting requests for Expedited Plans Reviews: The customer service representative will provide guidance and direction on how to schedule and pay for an after-hours expedited Special Request Plans Review;
 - v. Submitting requests for MDFR site inspections: The customer service representative will provide guidance and direction on how to request and schedule for onsite MDFR construction inspections;
 - vi. Submitting a request for a new construction meeting: The customer service representative will provide guidance and direction on how to schedule and pay for a Special Request Technical Meeting with MDFR Inspectors and supervisors to discuss projects in greater detail.

- vii. Provide general clerical guidance and direction in the permitting and inspection process.
- b. **Times and Schedules:** Parties agree that the MDFR customer service representative will start on an as-needed basis. Requests for scheduling of the MDFR customer service representative on site at the City of Doral's main office shall be provided to MDFR at least 7 days in advance, and if less than that amount of notice is provided by Doral, MDFR will endeavor, but is not obligated, to provide an MDFR customer service representative on site as requested by Doral. It is understood that based on the Parties' experience that the required amount of customer service support needed by Doral may increase such that the need for an MDFR customer service representative on site at the City of Doral main office may evolve into, at maximum, a full-time 40-hour schedule Mondays through Fridays from 07:00 am to 04:00 pm. The establishment of a full-time schedule shall require 30 days advance notice.
- c. **Additional Services:** Parties anticipate that from time to time they will be in contact regarding Doral's potential need for further assistance or additional enhanced services ("Additional Services") on clearly defined projects ("Project") or on an on-going, recurring basis. Parties agree that prior to the commencement of any Additional Services, the County and Doral shall mutually agree upon the terms and conditions required to complete a Statement of Work for a specific Project or a Scope of Additional Services for an additional on-going recurring service. Such Statement of Work or Additional Scope of Services, and its corresponding funding obligations, shall define in detail the Additional Services to be performed. Each Statement of Work or Additional Scope of Services executed hereunder shall automatically incorporate the terms and conditions of this Agreement.

2. CONDUCT AND RESPONSIBILITIES:

- a. MDFR's Customer Service Representative will abide by appropriate policies and procedures as required by the Miami-Dade County Administrative Orders, MDFR's Policies and Procedures.
- b. MDFR's Customer Service Representative will remain under the chain of command and table of organization of the MDFR's Fire Prevention Division and report to the Fire Prevention Division's office.
- c. The Parties agree that at all times the MDFR Customer Service Representative providing services under this Agreement remains at all times a County employee on the County payroll being paid salary and benefits and is not a City of Doral employee in any respect.

3. FUNDING AND FINANCIAL OBLIGATIONS:

- a. Doral agrees to fund the actual salary, and associated fringe benefits for the MDFR personnel assigned pursuant to this agreement to work in the City of Doral facilities.

- b. The salary and fringe benefits will be billed at the employee's current pay rate as determined by the Miami-Dade County's pay scale for the position of a Fire Rescue Processing Specialist 2.
- c. MDRFR shall make every effort to assign personnel during regular hours to avoid overtime costs, and to assign rank and file personnel rather than higher-compensated command staff to maintain cost-effectiveness.
- d. If any overtime or other costs directly associated with MDRFR's personnel assigned to Doral's facilities, Doral agrees to fund these costs by submitting prompt payment to Miami-Dade County upon presentation of invoices to Doral for such amounts.
- e. MDRFR will invoice (Attachment B) Doral every two weeks for the hours worked by the MDRFR Customer Service Representative and any other associated costs. Records supporting or documenting hours worked and other associated costs by MDRFR personnel pursuant to this Agreement shall be maintained by the Parties (Attachment A).

4. TERM AND TERMINATION

This Agreement shall remain in effect for a term of five (5) years from the Effective Date unless terminated pursuant to the following notice provision. Either Party may terminate this Agreement by providing the other Party with a written notice at least thirty (30) days in advance of the date of termination.

5. NOTICE

Any notice, consent or other communication required to be given under this Agreement shall be in writing, and shall be considered given when delivered in person or sent by mail or electronic mail (provided that any notice sent by facsimile or electronic mail shall simultaneously be sent personal delivery, overnight courier or certified mail as provided herein), one (1) business day after being sent by reputable overnight carrier or three (3) business days after being mailed by certified mail, return receipt requested, to the Parties at the addresses set forth below (or at such other address as a Party may specify by notice given pursuant to this section to the other Party).

Subject: Resolution Authorizing Execution of An Interlocal Agreement between Miami-Dade County, through the Miami-Dade Fire Rescue Department, and the City of Doral

SUMMARY

This item seeks authorization to execute an Interlocal Agreement (Agreement) between Miami-Dade County, through the Miami-Dade Fire Rescue Department (MDFR), and City of Doral (Doral). The Agreement establishes a formal arrangement for the provision of a dedicated customer service representative at Doral's main office to provide customer service assistance to the design professional community, patrons and employees in need of guidance through the MDFR review and inspection process. The City of Doral agrees to fund the actual salary and associated fringe benefits for the MDFR personnel assigned. Doral approved this agreement at its February 18, 2026 meeting.

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the County Mayor or County Mayor's designee to execute the Agreement, attached to the resolution as Exhibit A, between Miami-Dade County, through MDFR, and the City of Doral which provides a customer service representative to facilitate and provide direct support to all persons needing assistance in the MDFR plans review and inspection process.

SCOPE

The Agreement authorizes MDFR to provide a customer service representative who will be physically stationed at Doral's main office to offer direct assistance to customers needing guidance for plans submittal and inspections scheduling to MDFR. The customer service representative shall have no authority to approve or deny permits, waive requirements, bind the Parties, or provide final determinations.

FISCAL IMPACT/FUNDING SOURCE

Doral agrees to fund the actual salary and associated fringe benefits for the MDFR personnel assigned pursuant to this agreement to work in the City of Doral facilities. The salary and fringe benefits will be billed at the employee's current pay rate as determined by the Miami-Dade County's pay scale for the position of a Fire Rescue Processing Specialist 2.

TRACK RECORD/MONITOR

The Fire Prevention Division Chief or assigned personnel will monitor this Agreement.

DELEGATION OF AUTHORITY

Upon approval of the Board, the County Mayor or County Mayor's designee will have authority to execute the Interlocal Agreement and exercise the provisions set forth therein.

BACKGROUND

MDFR is responsible for the review and processing of building permits and conducting building inspections to ensure that construction within the City of Doral complies with the provisions of the Florida Statutes, Florida Fire Prevention Code, the Florida Building Code, the Miami-Dade County Code of Ordinances, and any relevant Codes and Standards within Doral's city limits.

Doral continues to experience sustained development activity and a corresponding increase in the volume and complexity of fire plans reviews required as part of the building permit process. Fire plans review is conducted by MDFR pursuant to state and county authority and is a critical path item for permit issuance.

To enhance customer service, reduce review delays, and provide on-site technical guidance to applicants and design professionals, Doral has explored an interlocal partnership with Miami-Dade County that would allow a dedicated MDFR Fire Processing Specialist to be physically located within the City's Solution Center. This position would remain a County employee, operating under MDFR supervision, while providing direct, in-person assistance to customers navigating the fire plans review and inspection process. This approach mirrors prior successful interlocal service models and allows the City to expand service capacity without creating a new City position or duplicating regulatory authority.

Doral agrees to fund the actual salary and associated fringe benefits for the MDFR personnel assigned pursuant to this agreement to work in the City of Doral facilities. The salary and fringe benefits will be billed at the employee's current pay rate as determined by the Miami-Dade County's pay scale for the position of a Fire Rescue Processing Specialist 2. If any overtime or other costs directly associated with MDFR's personnel assigned to Doral's facilities, Doral agrees to fund these costs by submitting prompt payment to Miami-Dade County upon presentation of invoices to Doral for such amounts.

MDFR will invoice Doral every two weeks for the hours worked by the MDFR Customer Service Representative and any other associated costs. Records supporting or documenting hours worked and other associated costs by MDFR personnel pursuant to this Agreement shall be maintained by both Doral and MDFR.

MDFR is committed to providing exceptional customer service to ensure that Doral's patrons and design professional community are afforded the efficient services for review, processing, of building permits and related building inspections within its jurisdictional limits. MDFR shall make every effort to assign personnel during regular hours to avoid overtime costs, and to assign rank and file personnel rather than higher-compensated command staff to maintain cost-effectiveness.
