**MASTER BANKING SERVICES AGREEMENT BETWEEN  
 CITY OF PINELLAS PARK  
 AND  
 WELLS FARGO BANK, N.A.**

16<sup>th</sup> This Master Banking Services Agreement (this "Agreement") is entered into as of the 16<sup>th</sup> day of September, 2021 by and between Wells Fargo Bank, N.A. ("Bank") and the City of Pinellas Park, Florida ("City").

**Recitals**

WHEREAS, City issued a Request for Proposal (RFP 21/004) for the provision of banking and treasury management services on May 9, 2021 (the "RFP") to which the Bank submitted its response dated June 8, 2021 (the "Bank's Response");

WHEREAS, on the basis of the Bank's Response, City has determined to engage the Bank to provide certain banking and treasury management services (each, a "Service" and collectively, the "Services") all as provided in the RFP and the Bank's Response;

WHEREAS, Bank has agreed to provide the Services to City, and City has agreed to accept the Services, upon the terms and conditions set forth in the Bank's Response and set out in this Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which, each of Bank and City expressly acknowledge, each of Bank and City hereby agree as follows:

1. **Entire Agreement.** Bank shall provide, and City shall accept, the Services pursuant to the terms and conditions of the "Service Documentation" which includes the following documents which are attached and incorporated herein in their entirety:
  - 1.1 This Agreement;
  - 1.2 Bank's Response (including all exhibits and addendum which are incorporated by reference herein, including the Service Description for each Service ( each, a "Service Description"), the commercial account agreement for the deposit accounts that City maintains at Bank (the "Deposit Agreement"), and the Pricing attached to the Bank's Response as Tab A (the "Pricing Schedule") collectively attached as Exhibit A; and
  - 1.3 City's RFP (attached as Exhibit B)

If there is a conflict among the documents that make up this Agreement, the documents will govern in the order set forth above. The Service Descriptions and Deposit Agreement in effect as of the date of this Agreement are attached to the Bank's Response. This Agreement constitutes the entire agreement between Bank and City and supersedes all prior representations, conditions, warranties, understandings, proposals or agreements regarding a Service and the transactions contemplated hereunder. No course of dealing or waiver of any right on one occasion will constitute a modification of the above referenced documents or be a waiver of that right on a subsequent occasion.

2. **Services; Additional Services.** If City requests and Bank agrees to provide additional services after the date of this Agreement, which are governed by additional service descriptions, pricing or other documents, the terms and conditions thereof shall be deemed to be incorporated herein by reference

without the need to either amend this Agreement or to add such service descriptions, pricing or other documents as attachments to this Agreement. Any Merchant or Card services would be subject to a separate negotiated agreement between the Parties.

3. Changes to Services or Service Documentation. Bank may change (or add to) the terms in the Service Descriptions and Account Agreement at any time. If a change to a Service requires a change to the Service Descriptions and Account Agreement, Bank will post the document(s) with the change on the CEO portal. When required by Applicable Law, Bank will notify City of the change. If City continues to use a Service after a change takes effect, City will be bound by the change. As used in this Agreement, the term "Applicable Law" means all applicable laws (including common or customary laws), statutes, constitutions, policies, decrees, judgments, treaties, regulations, directives, by-laws, rulings, orders or operating circulars governing our activities and/or any transaction effected under this Agreement, including, but not limited to, the funds transfer system and clearing and settlement house rules.

4. Term, Termination, Liability.

4.1 This Agreement shall have an initial term of five (5) years beginning on October 1, 2021 and ending on September 30, 2026, with the parties having the option to renew for one (1) additional five (5) year term. Bank and City must mutually agree to any renewal, which shall be on terms and conditions mutually agreed upon by Bank and City in writing.

4.2 Unless terminated sooner in accordance with the Service Documentation or as set forth herein, this Agreement and all Services will continue in effect for the term of the Agreement until terminated by either City or Bank upon one hundred twenty (120) days prior written notice to the other party. Both the City and the Bank shall have the right to terminate this Agreement for cause upon sixty (60) days written notice if the other party fails to reasonably comply with any of the term and conditions of the contract, fails to comply with applicable law, rules or regulation or otherwise materially breaches the Agreement. The City may also immediately terminate the Agreement if Bank loses its status as a "Qualified Public Depository". The termination of a Service or this Agreement will not affect City's or Bank's rights with respect to transactions occurring before termination. Neither party will be liable to the other party for any losses or damages such other party may incur as a result of any termination of any Service or this Agreement in accordance with the terms of the Service Documentation.

5. Service Fees.

City shall pay Bank the fees for the Services as set forth in Tab A of Exhibit A. Except to the extent related to additional services referenced in Section 2 above, fees for the Services will remain fixed for the initial term of the Agreement. Except as otherwise agreed to between City and Bank, Bank may debit City's account(s) for any fees not covered by earnings credits and any taxes that are due, or it may send an invoice to City for such amounts, which City will promptly pay.

6. Representations and Warranties.

Mutual Representations and Warranties. Each of the parties hereto represents and warrants to the other party that: (i) such party is duly organized and in good standing in all appropriate jurisdictions; (ii) each party is fully authorized to execute and perform under this Agreement and the execution of and performance under this Agreement does not violate any law, regulation, contract or organizational document by which such party is bound; and (iii) the

individual(s) executing this Agreement on behalf of such party has full corporate and/or organizational authority to do so.

**7. Bank Liability/Indemnification**

7.1 Bank will perform each Service in accordance with reasonable commercial standards applicable to Bank's business; laws, regulations and operating circulars governing the activities of Bank; funds transfer system(s) and clearinghouse rules applicable to activities of Bank; and the Service Documentation.

7.2 Bank will only be liable to City for City's direct monetary losses due to Bank's negligence or intentional misconduct resulting from or relating to this Agreement, except to the extent caused by the negligent acts, omissions, or willful misconduct of the City, its officers, employees, agents, or employees and subject to any limitations set forth in the Service Documentation. Except as expressly provided otherwise in the Service Documentation, neither party to this Agreement will be liable to the other party for any special, consequential, incidental (including without limitation court costs and attorneys' fees), indirect, or punitive losses or damages, whether any claim is based on contract or tort, or whether the likelihood of such losses or damages was known to the other party and regardless of the form of the claim or action. Under no circumstances shall any of the provisions of this Agreement be deemed to waive the requirements and limitations of Florida Statute §768.28, as such applies to the City of Pinellas Park, Florida, a Florida municipal corporation.

Bank reserves the right to perform services using this model and to subcontract freely and to add and delete service providers at Bank's discretion.
