**RE: Extension Renewal of Prequalification of Professional Services under RFQ-2022-13 -
Milling, Resurfacing, and Striping Construction Services**

Dear Mr. Lopez:

The above-referenced RFQ and resulting agreement established an initial prequalification period of three (3) years, with two (2) one-year renewal options. The initial three-year term expired during the previous fiscal year, and the City exercised the first of the two renewal options at its sole discretion.

The City of Doral hereby invites your firm to extend the prequalification period for the final one-year renewal option, as provided for in the RFQ and the subsequently executed agreement. All terms and conditions of the original agreement shall remain in full force and effect. Upon full execution of this extension letter, the agreement shall expire on August 9, 2027.

The City wishes to thank your firm for its continued service and commitment. We value our partnership and look forward to continuing our collaborative efforts in support of the Doral community.

Please acknowledge receipt and acceptance of this renewal notice by signing in the designated area below and returning an original signed copy to my office at your earliest convenience.

Sincerely,
