6. All personnel, including personnel of Third-Party End Users, with access to the information exchanged under the terms of this MOU will be instructed of, and acknowledge their understanding of, the confidential nature of the information prior to accessing the information. VII. COMPLIANCE AND CONTROL MEASURES

- A. Quarterly Quality Control Review Report** - The Requesting Party and Third-Party End User must complete a Quarterly Control Review Report, utilizing Attachment III, within ten (10) days after the end of each quarter and maintain completed reports for six years. This review must include the following:
 1. A list of all users who have access to the BFAS;
 2. A listing of any new or inactivated BFAS users since the last Quarterly Quality Control Review, to include any updates to user information, the reason for the change in access, and the date the change was made; and
 3. Documentation verifying that usage has been internally monitored to ensure proper, authorized use and dissemination.
- B. Internal Control and Data Security Audit** - This MOU is contingent upon the Requesting Party and Third-Party End User having appropriate internal controls in place to ensure that data and other information being provided/received pursuant to this MOU is protected from unauthorized access, distribution, use, modification, or disclosure. At a minimum, these controls should include a process for granting user access, logging use of the system by user, and reviewing use of the system on a quarterly basis, including reviewing the submission of Probe Photographs that do not have an associated investigative case number. The Requesting Party must submit to the Providing Agency an Internal Control and Data Security Audit on or before the first anniversary of the execution date of this MOU, or within one hundred twenty (120) days from receipt of a written request from the Providing Agency. The Requesting Party may submit the Internal Control and Data Security Audit from their county or agency internal auditor or Inspector General, or from an independent Certified Public Accountant. The audit report shall be sent to the Providing Agency in the manner prescribed in Section XII, Notices.

1. The audit report shall:
 - a) Indicate whether the internal controls governing the use and dissemination of personal data have been evaluated based on the requirements of this MOU, including the completion of Quarterly Quality Control Review Reports (see Item B.2. below).
 - b) Indicate whether those internal controls included data security policies/procedures in place for personnel to follow and data security procedures/policies in place to protect personal data.
 - c) Indicate whether those data security procedures/policies have been approved by a Risk Management IT Security Professional, with credentials such as, but not limited to: CISA, CISSP, CISM, or CRISC.
 - d) Indicate whether any and all deficiencies/issues found during the audit have been corrected and measures enacted to prevent recurrence.
 - e) Include an opinion on whether those internal controls are adequate to protect the personal data from unauthorized access, distribution, use, modification, or disclosure.
2. The audit must be based on the requirements of this MOU, Florida Administrative Code Rule 60GG-2, and the Providing Agency's External Information Security Policy (Attachment II). Engagements that do not consider these specific criteria or do not render an independent auditor's opinion or conclusion will not meet the requirements for the Internal Control and Data Security Audit. The Parties agree that a SOC 2 Report, consulting service engagement, or other audit report type will not satisfy the requirements for the Internal Control and Data Security Audit if the SOC 2 Report, consulting service engagement, or other audit report does not specifically address each of the elements listed in Section VII., B., 1. a., b., c., d., and e.
3. The Parties agree that an audit report which includes an audit period entirely

outside the term of this MOU does not satisfy the requirements for the Internal Control and Data Security Audit.

4. The Requesting Party is responsible for clearly specifying the above audit requirements to the CPA, or government agency auditor, before audit work commences.

C. Annual Certification Statement – The Requesting Party and Third-Party End User shall each submit to the Providing Agency an annual statement, utilizing Attachment IV, indicating that the respective party has evaluated and certifies that it has adequate controls in place to protect the Personal Identifiable Information from unauthorized access, distribution, use, modification, or disclosure, and is in full compliance with the requirements of this MOU and applicable laws. This statement shall be submitted to the Providing Agency annually, within fifteen (15) business days after the anniversary of the execution date of this MOU. (NOTE: During any year in which an Internal Control and Data Security Audit is conducted, submission of the Internal Control and Data Security Audit may satisfy the requirement to submit an Annual Certification Statement.) Failure to timely submit the certification statement may result in an immediate termination of this MOU.

In addition, prior to expiration of this MOU, if the Requesting Party or Third-Party End User intends to enter into a new MOU, a certification statement, attesting that appropriate controls remained in place during the final year of this MOU and are currently in place, shall be required to be submitted to the Providing Agency prior to the execution of a subsequent MOU.

D. Misuse of Personal Identifiable Information – The Requesting Party or the Third-Party End User must notify the Providing Agency in writing of any incident where it is suspected or confirmed that Personal Identifiable Information has been misused by its users as a result of unauthorized access, distribution, use, modification, or disclosure, by any means, within thirty (30) days of such discovery. The statement must be provided on the Requesting Party's or Third-Party End User's letterhead and include each of the following: a brief summary of the incident; the outcome of the review; the date of the

occurrence(s); the number of records misused; the name or names of personnel responsible; whether disciplinary action or termination was rendered; and whether or not the person(s) whose Personal Identifiable Information was misused, were notified. The statement shall also indicate the steps taken, or to be taken, by the Requesting Party or Third-Party End User to ensure that misuse of data and information does not continue or recur. If the outcome of the review cannot be provided timely due to an on-going investigation, the Requesting Party or Third-Party End User shall notify the Providing Agency of the incident, provide a summary of what occurred, and submit the detailed statement upon completion. This statement shall be sent to the Providing Agency in the manner prescribed in Section XII, Notices. (NOTE: If an incident involving breach of Personal Identifiable Information did occur, and the Requesting Party or Third-Party End User did not notify the owner(s) of the misused records, the Requesting Party or Third-Party End User must indicate why notice was not provided.)

In addition, the Requesting Party and all Third-Party End Users shall comply with the applicable provisions of section 501.171, Fla. Stat., regarding data security and security breaches, and shall strictly comply and be solely responsible for adhering to the provisions regarding notice provided therein.

VIII. LIQUIDATED DAMAGES

Unless the Requesting Party or Third-Party End User is a State of Florida Law Enforcement Agency, the Providing Agency reserves the right to impose liquidated damages upon the Requesting Party or Third-Party End User. The imposition of liquidated damages by the Providing Agency is separate from and unrelated to any other applicable criminal or civil penalties authorized by law for violations of DPPA and sections 119.0712 or 322.142, Fla. Stat.

Failure by the Requesting Party or Third-Party End User to meet the established requirements of this MOU may result in the Providing Agency finding the Requesting Party or Third-Party End User to be out of compliance, and all remedies provided in this MOU and under law, shall become available to the Providing Agency.

A. General Liquidated Damages

In the case of a breach or misuse of data and information due to non-compliance with DPPA, sections 119.0712(2), 322.142 or 501.171, Fla. Stat., or any other state laws designed to protect a driver's privacy and motor vehicle information, the Providing Agency may impose upon the Requesting Party or Third-Party End User liquidated damages of up to \$1,000.00 for each breach or incident or misuse.

In imposing liquidated damages, the Providing Agency will consider various circumstances including, but not limited to:

1. The Requesting Party's or Third-Party End User's history with complying with DPPA, sections 119.0712(2), 322.142 or 501.171, Fla. Stat., or any other state laws designed to protect a driver's privacy;
2. Whether the Requesting Party or Third-Party End User self-reported violations of this MOU to the Providing Agency prior to discovery by the Providing Agency;
3. Whether the Requesting Party or Third-Party End User violated this MOU over an extended period of time;
4. Whether the Requesting Party's or Third-Party End User's violation of this MOU directly or indirectly resulted in injury, and the nature and extent of the injury;
5. The number of records involved or impacted by the violation of this MOU;
6. Whether, at the time of the violation, the Requesting Party or Third-Party End User had controls and procedures that were implemented and reasonably designed to prevent or detect violations of this MOU; and,
7. Whether the Requesting Party or Third-Party End User voluntarily made restitution or otherwise remedied or mitigated the harm caused by the violation of this MOU.

In lieu of paying liquidated damages upon assessment, the Requesting Party or Third-Party End User may elect to terminate the MOU contingent upon its submission of a written statement agreeing not to obtain data and information from the Providing

Agency through remote electronic means until such time as the liquidated damages are paid in full. Such statement shall be signed by the Requesting Party's or Third-Party End User's authorized representative and shall be submitted to the Providing Agency within five (5) days of receipt of notices that damages are being assessed.

The Requesting Party and Third-Party End User agree that the Providing Agency may refuse to enter a subsequent or replacement MOU with the Requesting Party or Third-Party End User to allow the Requesting Party or the Third-Party End User to access information available pursuant to this MOU through remote electronic means until the Requesting Party or Third-Party End User, as appropriate, has paid all outstanding liquidated damages owed by it to the Providing Agency in full. The Requesting Party and Third-Party End User agree that this subsection A shall survive the termination of this MOU.

B. Corrective Action Plan (CAP)

1. If the Providing Agency determines that the Requesting Party or Third-Party End User is out of compliance with any of the provisions of this MOU and requires the Requesting Party or Third-Party End User to submit a CAP, the Providing Agency may require the Requesting Party or Third-Party End User to submit the CAP within a specified timeframe. The CAP shall provide an opportunity for the Requesting Party or Third-Party End User to resolve deficiencies without the Providing Agency invoking more serious remedies, up to and including MOU termination.
2. In the event the Providing Agency identifies a violation of this MOU, or other non-compliance with this MOU, the Providing Agency shall notify the Requesting Party or Third-Party End User of the occurrence in writing. The Providing Agency shall provide the Requesting Party or Third-Party End User with a timeframe for corrections to be made.
3. The Requesting Party or Third-Party End User shall respond by providing a CAP to the Providing Agency within the timeframe specified by the Providing Agency.

4. The Requesting Party or Third-Party End User shall implement the CAP only after the Providing Agency's approval.
5. The Providing Agency may require changes or a complete rewrite of the CAP and provide a specific deadline
6. If the Requesting Party or Third-Party End User does not meet the standards established in the CAP within the agreed upon timeframe, the Requesting Party or Third-Party End User shall be in violation of the provisions of this MOU and shall be subject to liquidated damages and other remedies including termination of the MOU.
7. Except where otherwise specified, liquidated damages of \$25.00 per day may be imposed on the Requesting Party or Third-Party End User for each calendar day that the approved CAP is not implemented to the satisfaction of the Providing Agency.

IX. AGREEMENT TERM

This MOU shall take effect upon the date of last signature by the Parties and shall remain in effect for six (6) years from this date unless terminated or cancelled in accordance with Section XI, Termination and Suspension. Once executed, this MOU supersedes all previous agreements between the parties regarding the same subject matter.

X. AMENDMENTS

This MOU incorporates all negotiations, interpretations, and understandings between the Parties regarding the same subject matter and serves as the full and final expression of their agreement. This MOU may be amended by written agreement executed by and between both Parties. Any change, alteration, deletion, or addition to the terms set forth in this MOU, including to any of its attachments, must be by written agreement executed by the Parties in the same manner as this MOU was initially executed. If there are any conflicts in the amendments to this MOU, the last-executed amendment shall prevail. All provisions not in conflict with the amendment(s) shall remain in effect and are to be performed as specified in this MOU.

XI. TERMINATION AND SUSPENSION
