~~Sec. 2-70. Same—Agenda.~~

- ~~(a) The city manager shall be responsible for preparing the agenda for all city council meetings. The Charter officials shall meet with the mayor to finalize the agenda. City staff may request that a matter of business be placed on the agenda provided that the complete item with staff report is provided to the city manager not less than three weeks prior to the date of the city council meeting. Once the city manager has completed his/her review, the city manager shall deliver the items to the city attorney for review for legal sufficiency not less than two weeks prior to the date of the city council meeting.~~
- ~~(b) Items previously brought before the city council for consideration or for an expression of interest on three occasions, may not be brought forward for reconsideration or expression of interest again before six months have lapsed from the last consideration or expression of interest pertaining to said item, unless a super majority four-fifths of the city council agrees to reconsider the item.~~
- ~~(c) All proposed agenda items must be reviewed by the city manager and the city attorney and shall be delivered in final form to the city clerk's office at a minimum of seven business days before a city council meeting. The final agenda shall be published and made available to the city council by the city clerk not later than the close of business on the fourth seventh business day before a city council meeting.~~

~~(d)(b) Members of the city council may submit items for placement on the agenda. Members of the city council shall endeavor to deliver all proposed agenda items to the city manager's office a minimum of three weeks before the city council meeting in which the item will be discussed. All proposed agenda items shall be accompanied with background documentation and transmitted to the city manager for review. Such background information shall be sufficient to permit clear analysis of the legislative objective and advise the city council and the public of the nature of any requested actions that may be taken on the items.~~

~~(e) The city manager shall work with city departments and the city attorney's office to review, provide feedback, and make recommendations concerning the proposed agenda item. The city administration's feedback shall include a fiscal impact statement. As part of the council memorandum that accompanies any ordinance or resolution placed on a city council meeting agenda (including any resolution calling for a voter referendum on any measure), the city administration shall, to the extent applicable, prepare a written statement, to be included as a stand-alone section of the council memorandum, briefly describing the estimated or anticipated increase or decrease of the revenues or expenditures of the city associated with the proposed measure, if any, for the current fiscal year and the subsequent fiscal year. The memorandum shall include a budget score for the item, and advise whether an item is budgeted, and whether budgeted funds are otherwise available for the item.~~

~~When the review of the proposed agenda item is complete, the city manager shall prepare a recommended position on the item based on the administration's review and transmit the item to the city clerk for inclusion in the agenda. If the proposed item does not promote the city's strategic plan, the city manager shall advise the council member accordingly.~~

~~(f)(c) These items shall be part of the meeting notice and part of the meeting agenda. Every item submitted by the mayor and member of the city council to the city clerk for each city council regular or special meeting agenda shall identify the city administration and the appropriate department as the sponsor. No member of the city council may present more than four items at any meeting.~~

~~(c) To the extent determined applicable by the city administration, the fiscal impact statement may include:~~

- ~~(2) Any assumptions, sources of information or methodologies used to estimate the fiscal impact to the city;~~
- ~~(3) An estimate of the staff time or other resources that may be needed to implement the proposed measure;~~
- ~~(4) Whether the proposed measure could be absorbed in the current fiscal year's budget, or whether an additional appropriation is required to implement the proposed measure;~~

- ~~(5) Whether the fiscal impact in subsequent years (up to, but no more than, five years, from adoption of the measure) materially differs from the fiscal impact in the first year;~~
- ~~(6) Whether the proposed measure will involve pension liability, and the estimated costs thereof; and~~
- ~~(7) Any capital requirements or infrastructure constraints associated with the proposed measure.~~
- ~~(d) If the fiscal impact on the current or future revenues or expenditures of the city cannot be determined at the time the proposed measure is considered by the city council, the fiscal impact statement shall include a description of the risk factors or variables involved, and the administrative actions that will be required to determine the anticipated impact on future revenues and expenditures. In such cases, the fiscal impact statement should, to the extent possible, use ranges to estimate the impact on revenues or expenditures.~~
- ~~(g)(e) With respect to proposed agenda items related to the procurement of goods and services, including construction services, that are awarded pursuant to a previously approved budget, or which involve expenditures that are specifically authorized in a previously approved budget, the requirements of this section shall be deemed satisfied by a statement of the budget code or funding source that will be used to cover the proposed item, and the contract amount associated with the proposed item, if any.~~
- ~~(h)(f) The city administration's feedback shall include a fiscal impact statement. If a proposed item has a fiscal impact on revenues or expenditures of the city in the amount of \$50,000.00 or less, the fiscal impact statement shall state that the item involves an estimated fiscal impact of \$50,000.00 or less, and no further information or analysis shall be required. If a proposed item has a fiscal impact on revenues or expenditures of more than \$50,000.00, information as to the total expenditures needs to be included.~~
- ~~(g) The failure to comply with the requirements of this section shall not constitute grounds for canceling the consideration of a proposed measure or rendering invalid any determination made by the city council.~~
- ~~(i)(h) The city manager shall endeavor to complete the review prior to the submission deadline specified in the city Charter. When the review of the proposed agenda item is complete, the city manager shall provide the required feedback on the item based on the administration's review and transmit the item to the city clerk for inclusion in the next or date certain agenda.~~
- ~~(j) If the review of proposed item requires additional time such that the desired council meeting agenda deadline cannot be met, the city manager shall advise the council member accordingly. The sponsoring council member may elect to schedule the proposed item to a future agenda to allow for additional review time or to advance the partially reviewed item to the desired agenda for consideration. The agenda item must nevertheless have sufficient information to comply with the Charter and the~~

~~requirements of this section. Partially reviewed items, or items that were not delivered to the city manager's office a minimum of three weeks before the city council meeting in which the item will be discussed, shall nevertheless be placed on the agenda under "Discussion items" These items shall be part of the meeting notice and part of the meeting agenda. - ~~(k) City council-initiated agenda items shall identify the sponsoring councilmember. Council members may request to be co-sponsors on an item, which such co-sponsorship shall be considered during the discussion of the item and either independently entertained and approved or included as a condition for approval of the item.~~

- ~~(i) Except for emergency matters or other special matters requiring the immediate attention of the city council, a listing of business to be considered by the city council shall be prepared by the city manager. The city manager shall attempt to deliver the listing of business to each member at least 72 hours prior to each regular city council meeting.~~
- ~~(m)(j) It is the responsibility of the city clerk to compile and deliver the agenda and all supporting documentation under the general supervision and direction of the city manager. All members of the city organization are encouraged to cooperate with the clerk in making the agenda complete and accurate. Pursuant to F.S. ch. 286, as amended from time to time, additional items may only be added to the agenda under exigent circumstances to protect the life, health, safety and welfare of the citizens and residents of the city. The city manager may request additional time to study an item not included on the agenda but presented for action at the meeting.~~
- ~~(n)(k) The city council may, upon a majority vote of its members, modify the contents of the agenda at a city council meeting.~~
- ~~(o)(l) Any member of the city council may pull an item off the consent agenda for discussion and take a separate vote on that item. No vote of the city council is required to pull the item off the consent agenda.~~
- ~~(p)(m) City council workshops may be held from time to time for the special purpose of affording the city council an opportunity to discuss items that may be considered at a future city council meeting. Pursuant to F.S. Ch. 286, as amended from time to time, only items on a workshop agenda may be discussed at a city council workshop.
