NOW THEREFORE, BE IT KNOWN that the City, and the Miami-Dade Schools Police Department in consideration for mutual promises to render valuable aid in times of necessity, do hereby agree to fully and faithfully abide by and be bound by the following terms and conditions:

SECTION I. PROVISIONS FOR VOLUNTARY COOPERATION

Each of the aforesaid law enforcement agencies hereby approve and enter into this Cooperation Agreement whereby each of the agencies may request and render law enforcement assistance to the other in dealing with any violations of Florida Statutes to include, but not necessarily be limited to, investigating sex offenses, robberies, assaults, batteries, burglaries, larcenies, gambling, motor vehicle thefts, drug violations pursuant to Chapter 893 of the Florida Statutes, backup services during patrol activities, and interagency task forces and/or joint investigations as set forth pursuant to, and under the authority of Chapter 23 of the Florida Statutes.

SECTION II. PROVISIONS FOR OPERATIONAL ASSISTANCE

The aforesaid law enforcement agencies hereby approve and enter into this Cooperation Agreement whereby each of the agencies may request and render law enforcement assistance to the other to include, but not necessarily be limited to dealing with, the following:

1. Joint multi-jurisdictional criminal investigations.
2. Civil affray or disobedience, disturbances, riots, large protest demonstrations and assemblies, controversial trials, political conventions, labor disputes, and strikes.
3. Any natural disaster.
4. Incidents which require rescue operations and crowd and traffic control measures including, but not limited to, large-scale evacuations, aircraft and shipping disasters, fires, explosions, gas line leaks, radiological incidents, train wrecks and derailments, chemical or hazardous waste spills, and electrical power failures.
5. Terrorist activities including, but not limited to, acts of sabotage.
6. Escapes from, or disturbances within, prisoner processing facilities.
7. Hostage and barricaded subject situations, and aircraft piracy.
8. Control of major crime scenes, area searches, perimeter control, back-ups to emergency and in-progress calls, pursuits, and missing person calls.
9. Enemy attack.
10. Transportation of evidence requiring security.
11. Major events, e.g., sporting events, concerts, parades, fairs, festivals, and conventions.
12. Security and escort duties for dignitaries.
13. Incidents requiring utilization of specialized units; e.g., underwater recovery, aircraft, canine, motorcycle, bomb, crime scene and police information.
14. Emergency situations in which one agency cannot perform its functional objective.
15. Joint training in areas of mutual need.
16. Joint multi-jurisdictional marine interdiction operations.
17. DUI Checkpoints.

The following procedures will apply in mutual aid operations:

3. Communications instructions will be included in each request for mutual aid and each agency's communications centers will maintain radio contact with each other until the mutual aid situation has ended.
4. Incidents requiring mass processing of arrestees, transporting prisoners, and operating temporary detention facilities will be handled per established procedures of the requesting agency, or the Chief of Police who is involved.

SECTION III. PROCEDURE FOR REQUESTING ASSISTANCE AND LIMITATIONS OF ASSISTANCE

In the event that a party to this Cooperation Agreement is in need of assistance as set forth above, the Chief of Police or his/her designee, shall notify the Chief of Police or his/her designee from whom such assistance is requested. The Chief of Police or authorized agency representative whose assistance is sought shall evaluate the situation and the agency's available resources, consult with his/her supervisors, if necessary, and will respond in a manner he/she deems appropriate.

The Chief of Police in whose jurisdiction assistance is being rendered may determine who is authorized to lend assistance in his/her jurisdiction, for how long such assistance is authorized, and for what purpose such authority is granted. This authority may be granted either verbally or in writing as the particular situation dictates.

Should a law enforcement officer be in another subscribed agency's jurisdiction for matters of a routine nature, such as traveling through the area on routine business, attending a meeting or going to or from work, and a violation of Florida Statutes occurs in the presence of said party, representing his/her respective agency, **HE/SHE SHALL ONLY BE EMPOWERED TO RENDER ENFORCEMENT ASSISTANCE AND ACT IN ACCORDANCE WITH FLORIDA LAW**. Should enforcement assistance be taken, said party shall notify the agency having normal jurisdiction, and upon the latter's arrival, turn the situation over to them and offer any assistance requested, including but not limited to, a follow-up written report documenting the event and the actions taken. This provision, so prescribed in this paragraph, shall not grant general authority to conduct investigations, serve warrants, and/or subpoenas or to respond without request to emergencies already being addressed by the agency of normal jurisdiction, but is intended to address critical, life-threatening or public safety situations, prevent bodily injury to citizens, or secure apprehension of criminals whom the law enforcement officer may encounter and such encounter results in a breach of the peace.

The parties acknowledge that the policy of the Florida Mutual Aid Act is to provide a means to deal with disasters, emergencies, and other major law enforcement problems. This Cooperation Agreement shall not extend police powers beyond the specific additional authority granted by the Legislature in Chapter 23 of the Florida Statutes, which intent was to assure the continued functioning of law enforcement in times of emergencies or in areas where major law enforcement efforts were being thwarted by jurisdictional barriers, and the respective parties, police officers and authority are limited to those instances where the subject matter of the investigation originates inside the municipal city limits.

SECTION IV. COMMAND AND SUPERVISORY RESPONSIBILITY

The personnel and equipment that are assigned by the assisting Agency shall be under the immediate command of a supervising officer designated by the assisting Agency. Such supervising officer shall be under the direct supervision and command of the Chief of Police or his/her designee of the agency requesting assistance.

SECTION V. CONFLICTS

Whenever an officer is rendering assistance pursuant to this Cooperation Agreement, the officer shall abide by and be subject to the rules and regulations, personnel policies, general orders, and standard operating procedures of his/her own employer. If any such rule, regulation, personnel policy general order or standard operating procedure is contradicted, contravened or otherwise in conflict with a direct order of a superior officer of the requesting agency, then such rule, regulation, policy, general order or procedure shall control and shall supersede the direct order.

SECTION VI. HANDLING COMPLAINTS

Whenever there is cause to believe that a complaint has arisen as a result of a cooperative effort as it may pertain to this Cooperation Agreement, the Chief of Police or his/her designee of the requesting agency shall be responsible for the documentation of said complaint to ascertain at a minimum:

1. The identity of the complainant.
2. An address where the complaining party can be contacted.
3. The specific allegation
4. The identity of the employees accused without regard as to agency affiliation.

If it is determined that the accused is an employee of the assisting agency, the above information, with all pertinent documentation gathered during the receipt and processing of the complaint, shall be forwarded without delay to the agency for administrative review. The requesting agency may conduct a review of the complaint to determine if any factual basis for the complaint exists and/or whether any of the employees of the requesting agency violated any of their agency's policies or procedures.

SECTION VII. LIABILITY

Each party engaging in any mutual cooperation and assistance, pursuant to this Cooperative Agreement, agrees to assume full and final responsibility for the acts, omissions or conduct of such party's own employees while engaged in rendering such aid pursuant to this Cooperative Agreement, subject to the provisions of Section 768.28 of the Florida Statutes, where applicable.

SECTION VIII. INDEMNIFICATION

To the fullest extent permitted by the law, each party engaging in any mutual cooperation and assistance pursuant to this Agreement, shall indemnify and hold harmless the other participating party, and its appointees or employees ("Indemnitees") from and against all claims,

liabilities, damages, losses, and costs including, but not limited to, reasonable costs at the pre-trial, trial and appellate levels, arising out of, resulting from or incidental to the other participating party's performance under this Agreement or to the extent caused by negligence, recklessness, or intentional wrongful conduct of the participating party or other persons employed or utilized by the participating party in the performance of this Agreement. Subject to the provisions set forth in Florida Statute Section 768.28, as amended and revised, neither party shall be liable to pay a claim or judgment by any one person which exceeds the sum of \$200,000, or any claim or judgments or portions thereof, which when totaled with all other claims or judgments paid by the state or its agencies or subdivisions arising out of the same incident or occurrence, exceeds the sum of \$300,000. The remedy provided to the Indemnitees by this indemnification shall be in addition to and not in lieu of any other remedy available under the Agreement or otherwise. This indemnification obligation shall not be diminished or limited in any way to any insurance maintained pursuant to the Agreement otherwise available to the other participating party. The remedy provided to the Indemnitees by this indemnification shall survive this Agreement. The provisions of this Section shall specifically survive the termination of this Agreement. The provisions of this Section are intended to require both parties to furnish the greatest amount of indemnification allowed under Florida law. To the extent any indemnification requirement contained in this Agreement is deemed to be in violation of any law, that provision shall be deemed modified so that both parties shall be required to furnish the greatest level of indemnification to the Indemnitees as was intended by the parties hereto.

SECTION IX. POWERS, PRIVILEGES, IMMUNITIES AND EXPENDITURES

(a) Employees of the City of Doral Police Department and the Miami-Dade Schools Police Department, when actually engaging in mutual cooperation and assistance outside of their normal jurisdictional limits but inside this State, under the terms of this Agreement, shall, pursuant to the provisions of Section 23.127(1) of the Florida Statutes (as amended) and this Agreement, have the same powers, duties, rights, privileges and immunities as if the employee was performing duties inside the employee's political subdivision in which normally employed.

(b) Each party agrees to furnish necessary personnel equipment, resources and facilities and to render services to each other party to this Cooperation Agreement as set forth above; provided however, that no party shall be required to deplete unreasonably its own personnel, equipment, resources, facilities, and services in furnishing such mutual aid.

(c) A party that furnishes equipment pursuant to this Cooperation Agreement must bear the cost of loss or damage to that equipment and must pay any expense incurred in the operation and maintenance of that equipment.

(d) The agency furnishing aid pursuant to this Cooperation Agreement shall compensate its employees during the time such aid is rendered and shall defray the actual travel and maintenance expenses of its employees while they are rendering such aid, including any amounts paid or due for compensation due to personal injury or death while such employees are engaged in rendering such aid. The requesting agency may reimburse the assisting agency during the time of the rendering of such aid and may defray the actual travel and maintenance expenses of such employees while they are rendering such aid, including any amounts paid or due for compensation as a result of personal injury or death while such employees are rendering such aid.

(e) To the extent provided by applicable law, ordinance, or rule, the privileges and immunities from liability, exemption from laws, ordinances and rules, and all pension, insurance, relief, disability, worker's compensation, salary, death and other benefits that apply to the activity of an employee of an agency when performing the employee's duties within the territorial limits of the employee's agency shall apply to the employee to the same degree, manner, and extent while engaged in the performance of the employee's duties extraterritorially under the provisions of this Cooperation Agreement. The provisions of this section shall apply to paid, volunteer, reserve and auxiliary employees.

(f) Nothing herein shall prevent the requesting agency from requesting supplemental appropriations from the governing authority having budgeting jurisdiction to reimburse the assisting agency for any actual costs or expenses incurred by the assisting agency performing hereunder.

(g) Should the City receive reimbursement for expenditures from a third party for a mutual aid event covered by this Cooperation Agreement, the Miami-Dade Schools Police Department shall be eligible to receive an equitable reimbursement share for any actual costs or expenses incurred that are directly attributable to the event, provided such costs and expenses are authorized by the third party for reimbursement purposes.

(h) Should the Miami-Dade Schools Police Department receive reimbursement for expenditures from a third party for a mutual aid event covered by this Cooperation Agreement, the City shall be eligible to receive an equitable reimbursement share for any actual costs or expenses incurred that are directly attributable to the event, provided such costs and expenses are authorized by the third party for reimbursement purposes.

(i) The parties acknowledge that the Miami-Dade Schools Police Department and the City are authorized to pursue any property seized pursuant to the Florida Contraband Forfeiture Act. Each party shall have the exclusive authority to initiate forfeiture proceedings originating in its respective jurisdiction under the Florida Contraband Act for any matters which arise from a mutual aid event that is covered by this Cooperation Agreement. The agency pursuing the forfeiture action shall have the exclusive right to control, and the responsibility to maintain the property including, but not limited to, the complete discretion to bring the action, dismiss the action, or settle the action. Each respective party, upon successfully prosecuting a forfeiture action, shall equitably share in those proceeds forfeited, as acceptable to the Chief of Police of the Miami-Dade Schools Police Department and Chief of Police for the City, less the costs associated with the forfeiture action.

SECTION IX. INSURANCE

Each party shall provide, upon request, satisfactory proof of liability insurance by one or more of the means specified in Section 768.28(16)(a) of the Florida Statutes, in an amount which is, in the judgment of the governing body of that party, at least adequate to cover the risk to which that party may be exposed.

SECTION X. EFFECTIVE DATE

This Agreement shall take effect upon execution and approval by both parties and shall continue in full force and effect for five years thereafter from the Effective Date, unless terminated

prior by any or all of the parties. Under no circumstances may this agreement be renewed, amended, or extended except in writing.

SECTION XI. CANCELLATION

Either party may cancel its participation in this Agreement at any time upon delivery of written notice to the other party and such Agreement shall be terminated thirty (30) days after receipt of this notice.
