Any such additional work shall be by mutual agreement of both parties, negotiated as to price, and approved by action of CITY Commission.

The amount of compensation payable by CITY to CONTRACTOR shall be based upon the prices as set forth in Exhibit B, attached hereto and made a part hereof, which amount shall be accepted by CONTRACTOR as full compensation for all such work performed under this Agreement. It is acknowledged and agreed by CONTRACTOR that these amounts are the maximum payable and constitute a limitation upon CITY'S obligation to compensate CONTRACTOR for its services related to this Agreement. This maximum amount, however, does not constitute a limitation of any sort, upon CONTRACTOR'S obligation to perform all items of work required by or which can be reasonably inferred from the Agreement.
- B. If, at any time during the Agreement, filings, notices or like documents are submitted to any regulatory agency concerning the potential acquisition of CONTRACTOR, or the sale of a controlling interest in CONTRACTOR, or any similar transaction, CONTRACTOR shall immediately disclose such information to CITY. Failure to do so may result in the Agreement being terminated, at CITY'S sole discretion.

8.9. Compliance with Applicable Laws

CONTRACTORS are required to comply with all provisions of federal, state, county and local laws, ordinances, rules and regulations that are applicable to the services being provided in this Agreement. Lack of knowledge of CONTRACTOR shall in no way be a cause for relief from responsibility or constitute a cognizable defense against the legal effects thereof.

8.10. Familiarity with Laws and Ordinances

CONTRACTOR is familiar with all federal, state and local laws, ordinances, rules and regulations which affect those engaged or employed in the provision of such services, or equipment used in the provision of such services, or which in any way affects the conduct of the provision of such services; and no plea of misunderstanding will be considered on account of ignorance thereof. - C. CONTRACTOR shall indemnify CITY and any of its officers, agents, servants and employees, for all loss, damage, expense or liability including, without limitation, court costs and attorneys' fees that may result by reason of any infringement or claim of

infringement by CONTRACTOR of any patent, trademark, copyright, trade secret or other proprietary right relating to services furnished pursuant to this Agreement. CONTRACTOR shall defend and/or settle at its own expense any action brought against CITY, any of its officers, agents, servants and employees, to the extent that it is based on a claim that products or services furnished to CITY by CONTRACTOR pursuant to this Agreement, or if any portion of the services or goods related to the performance of the service become unusable as a result of any such infringement or claim.

- D. CONTRACTOR acknowledges that specific consideration has been paid or shall be paid under this Agreement for this hold harmless and indemnification provision, and further agrees with the foregoing provisions of indemnity and with the collateral obligation of insuring said indemnity.

Violation of this section shall result in termination of this Agreement and recovery of all monies paid hereto and may result in debarment from CITY'S competitive procurement activities. In addition to the foregoing, CONTRACTOR further represents that there has been no determination, based on an audit, that it committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether CONTRACTOR has been placed on the convicted vendor list.
