

## CITY OF DORAL Office of the City Manager Letter to Council

LTC No. 019-2023

To: The Honorable Mayor and Members of the City Council

From: Barbie Hernandez, City Manager

Date: August 8, 2023

Subject: **Police Vehicle Redesign**

The Doral Police Department (DPD) strives to maintain a constant visible presence in our community. In reviewing the current police vehicle model, a multitude of options exist to redesign the striping and decals to enhance visibility and differentiate our marked police vehicles from the rest of the City of Doral fleet.

The current marked police vehicle is primarily white in color. In an effort to seek input from the men and women of DPD, a comprehensive workgroup consisting of DPD members was recently convened to explore multiple options in an effort to meet the goals of recognizability and professionalism. The attached demo model has been created to reflect the work of the redesign workgroup. The new design incorporates elements that reflect our City, safety, and professionalism.

The ultimate aim of the Police Department is to enhance visibility to increase Officer and community safety, while maintaining approachability and fostering a stronger connection with the communities we serve. If you'd like to discuss further, please feel free to contact my office or Chief Lopez directly.
