This Letter to Council (LTC) serves to inform the Honorable Mayor and Members of the City Council of a prestigious recognition awarded to the City of Doral.

We are proud to announce that the City of Doral has been recognized by **Aetna®, a CVS Health® company, with the 2025 Platinum Workplace Well-being Award**. This distinction celebrates organizations that demonstrate a strong and ongoing commitment to supporting the health and wellness of their employees.

Creating a healthy workplace is one of our top priorities, and this recognition highlights the City's dedication to fostering an environment where employees can thrive both personally and professionally. It also reaffirms what we have always known: success cannot be achieved without strong support for our team.

Over the years, the City has invested in comprehensive wellness initiatives that include meditation sessions, financial wellness workshops, fitness challenges, cooking classes, and holistic health events. These programs reflect our commitment to promoting balance, reducing stress, and enhancing overall well-being among our workforce.

The **Aetna Workplace Well-being Award** evaluates organizations on the quality, innovation, and outcomes of their health and wellness strategies. The **Platinum Award is the highest and most difficult level to achieve**, representing excellence in building a workplace culture that prioritizes health and well-being at every level of the organization.

The City of Doral is honored to receive this award and remains steadfast in expanding innovative wellness opportunities that reflect our mission of integrity, transparency, and community engagement.
