Construction of Pedestrian Bridge – Design Build

Addendum No. 11

Financial Projects Number(s): 441642-1-58-01
Contract Number: RFP No. 2021-09

Below are changes/ updates regarding this project. This Addendum is and does become a part of the above-mentioned solicitation. This addendum is issued to modify the subject solicitation as follows:

1. Please confirm if the entry feature on NW 36th Street on the south side of the street at the Palmetto SR 826 is part of this contract.
 - The Pedestrian Bridge project is only allocated to the area adjacent to the Turnpike. The entry features proposed at NW 36 St. and Palmetto are not part of the Pedestrian Bridge Project. The entry features are a PWD Project.
2. The RFP includes conflicting information regarding the Technical Proposal font and size, is Times New Roman with minimum font size (10) to be used or Arial Narrow with a minimum font size (11)?
 - Times New Roman font type with minimum font size (10).
3. The RFP indicates that the maximum number of pages shall be 10, single-sided, typed pages including text, graphics, charts, and photographs. Are the comprehensive schedule, block diagram management plan, and letters of reference permitted to be in excess of the 10 pages?
 - The comprehensive and logical Critical Path Method (CPM) schedule, block diagram management plan, and letters of reference are permitted to be in excess of the 10 pages.
4. Would it be possible to propose an alternative IT room location?
 - The intent to provide the IT room under the Pedestrian Bridge is primarily for aesthetic purposes. That being the main reason for its concept location, the requirement shall remain. Any other alternate location shall consider aesthetics and conform to the maintenance, accessibility and IT Room requirements of the RFP.
