

# City of Doral

## RFP No. 2021-24 - Camps and Specialty Camps

### Addendum No. 2

**Below are questions/ clarifications that were received regarding this project as well as the City's responses. This Addendum is and does become a part of the above-mentioned solicitation. This addendum is issued to modify the subject solicitation as follows:**

1. Please advise at your earliest convenience if the attached form can be filled out by the parents of the children that participate in the DSC program.
  - Yes. The City will allow the RFP Reference Survey Form to be completed by parents of the children that have participated in the City. They may not be filled out by City Employees as the Cone of Silence is in place.
2. We understand that the RFP states the following:

“The proposed camp will be conducted according to the session/monthly schedule determined by the City. The City will communicate the session dates to the Provider. The sessions range from 6-9 weeks depending on the season, set by the City.” However, they would like to know what the expected dates are for the Spring and Summer camp.

  - The awarded camp providers would begin in Summer of 2022. (The current agreements that we have expire after Spring of 2022's camp.) We follow the Miami-Dade Public School calendar. The 2022-23 school year calendar is not out yet. This coming Summer Camp would begin on June 13, 2022. Summer Camps usually go for 9 weeks.
