 - (2) Debarment or suspension of the contractual party by any federal, state or other governmental entity.
 - (3) False certifications including but not limited to certifications under paragraphs (d) and (e) below.
 - (4) Found in violation of a city ordinance or regulation and for which the violation remains noncompliant.

 - (7) Vendor and the city are engaged in an adversarial proceeding (court proceeding, arbitration or administrative proceeding) arising from or relating to the vendor's performance of a contract with the city.
 - (8) Any other cause judged by the city manager to be so serious and compelling as to affect the responsibility or integrity of the contractual party performing city contracts.
- c. ***Debarment.*** Causes for permanent debarment include the following:

- (1) Conviction for commission of a criminal offense incident to obtaining or attempting to obtain a public or private contract or subcontract, or incident to the performance of such contract or subcontract.
 - (2) Conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification, or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty.
 - (3) Conviction under state or federal antitrust statutes arising out of the submission of bids or proposals.
 - (4) Default or failure to fully comply with the conditions, specifications, drawings or terms of a bid, proposal, or contract with the city twice in any three-year period.
- d. **Certification.** All contracts for goods and services, sales, and leases by the city shall contain a certification that neither the contractual party nor any of its principal owners or personnel have been convicted of any of the violations set forth above or debarred or suspended as set forth in paragraph (b)(2).
- e. **Non-Collusion Affidavit.** All bids for goods and services shall contain a certification that neither the undersigned bidder or agent nor any of its principal owners or personnel entered into any combination, collusion or agreement with any person submitting a bid.
- f. **Debarment and suspension decisions.** Subject to the provisions of paragraph (a), the city manager shall render a written decision stating the reasons for the debarment or suspension. A copy of the decision shall be provided promptly to the contractual party, along with a notice of said party's right to appeal the decision.

Ordinance No. 2-341. – Appeal of Decision

The suspension or debarment shall be final and conclusive, unless the suspended or debarred party appeals the decision of the city manager to the city council, in the manner provided for appeals of administrative decisions of this Code of Ordinances.
