

# City of Doral

## ITB No. 2024-11

### Construction of Doral Entry Features

#### Addendum No. 1

1. What is the estimated or set budget for this project?

Answer: \$1,500,000

2. Could you please clarify us about the 3 projects referenced as evidence of performance and the amounts of the projects

Answer: Please refer to ITB Section 3.3 Qualifications, which sets forth the minimum qualifications. In relevant part, this section requires each bidder to provide evidence of completing at least three (3) projects of similar size and scope, each of the three projects must satisfy the following requirements:

- Valued at least at \$500,000 in construction costs
- Performed within Miami Dade County or Broward County
- Performed within the last ten (10) years
- Performed for local government, County, and/or State
- At least one reference provided for each project

In addition to the above checklist, at least one of the three projects listed must have been an entry feature project ten (10) FT or more in height.
