

City of Doral
ITB 2025-11
Purchase and Delivery of Liquid Sodium
Hypochlorite Solution
Addendum No. 2

July 18, 2025

The original Invitation to Bid (ITB) documents shall remain in full force and effect, except as modified herein, which shall take precedence over any contrary provisions in the prior documents.

I. The following are answers to questions from prospective proposers of ITB-2025-11.

1. Q. Could you please provide the previous bid tabulations? Or at least the current supplier and price?

A. There are no previous bid tabulations. The city purchases the product from Hawkins at \$1.99 per gallon.

2. Q. Could you please provide an estimated annual quantity

A. The city purchases approximately 35,000 gallons annually.

II. Section 2.13 Pricing is deleted, and in its place, the following terms are incorporated into the ITB.

If the Bidder is awarded a contract under this ITB solicitation procurement process, the prices quoted by the Bidder shall remain fixed and firm throughout the initial term of this contract (3 years). However, the Bidder may offer incentives and discounts from this fixed price to the city at any time during the contractual term.

Prior to, or upon completion of that initial term, the City shall have the option to renew this contract for an additional two (2) years on a year by year basis. Prior to completion of each exercised contract term, the City may consider an adjustment to price based on changes in the Consumer Price Index Urban Wage Earners and Clerical Workers, Miami / Ft Lauderdale – All Items. (or, if applicable, whatever Dept of Labor CPI Index relates to the commodity / service being procured)

It is the Awarded Bidder's responsibility to request any pricing adjustment under this provision. For any adjustment to commence on the first day of any exercised option period, the request for adjustment should be submitted 90 days prior to expiration of the then current contract term. The adjustment request should not be in excess of the relevant pricing index change. If no adjustment request is received from the vendor, the City will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period may not be considered.

The City reserves the right to negotiate lower pricing for the additional term(s) based on market research information or other factors that influence price. The City reserves the right to apply any reduction in pricing for the additional term(s) based on the downward movement of the applicable index.

The City reserves the right to reject any price adjustments submitted by the vendor and/or to not exercise any otherwise available option period based on such price adjustments. Continuation of the contract beyond the initial term, and any option subsequently exercised, is a city prerogative, and not a right of the Awarded Bidder. This prerogative will be exercised only when such continuation is clearly in the best interest of the city.
