ITB 2025-14

Right of Way Maintenance

Addendum No. 3

July 7, 2025

The original Invitation to Bid (ITB) documents shall remain in full force and effect, except as modified herein, which shall take precedence over any contrary provisions in the prior documents.

This addendum is being issued to reiterate the date of the solicitation opening, and provide further clarity on the bid pricing sheet (Exhibit F).

The original ITB document mentions Thursday, July 9 as the deadline / bid opening. July 9 is on a Wednesday, therefore the deadline and bid opening for ITB 2025-14 is **Wednesday, July 9 2025** at 2:00 PM.

The basis of award for ITB 2025-14 will be on the totals from the **first tab / sheet labeled R.O.W**, in the pricing sheet excel document (Exhibit F).

If you should have any questions regarding this addendum, please do not hesitate to contact procurement@cityofdoral.com.

Sincerely,

Christopher Cotton, MPA
Procurement Specialist
