Building a
Greener Doral

Pg 16

FROM THE DESK OF
THE MAYOR
Christi Fraga

Dear Residents of Doral,

As we begin a new year in Doral, I want to take a moment to thank you, our residents, families, and businesses, for being the heart of this community. Every day, I'm reminded of how special our city is because of the people who live, work, and invest their time here.

This winter season brings exciting progress across Doral. From continued improvements to our infrastructure, to new programs in our parks and facilities, to public art that reflects our city's vibrant spirit. There is so much to look forward to! We're also working hard inside City Hall to make your experience even better, with enhanced customer service, added permitting support, and new tools that make it easier to access the services you need.

Over the next few months, our calendar will be filled with events and activities for all ages. I encourage you to come out, enjoy our beautiful parks, support our local businesses, and take part in everything that makes Doral such a strong and connected community. Thank you for your trust and for allowing me the privilege to serve you. I'm excited for what this year will bring, and I remain committed to working every day for a Doral that continues to grow, innovate, and shine.

Wishing you and your loved ones a wonderful 2026!

Warmest regards,

Mayor, City of Doral

Parks Facilities

DORAL CENTRAL PARK

2026 PROGRAMS *Winter*

Discover a variety of engaging programs for all ages! Whether you're interested in educational workshops, fitness classes, or creative activities, we have something for everyone. Explore your interests and connect with your community through our diverse offerings.

Youth Programs

- Crafty Art
- Just You & Me
- Archery
- Toddler Time
- Doral Table Tennis
- Chess for Kids
- Beach Tennis
- Swim Lessons
- Aikido
- Chess

- Doral Fencing Club
- Music for Babies
- Nature Crafts
- Entrepreneurship
- United Martial Arts
- Genius Science Labs
- Florida Karate Clubs
- Miami Table Tennis
- Cristi's Dance Studio
- Coding & Robotics

Adult Programs

- Jazzercise
- Core Yoga
- Yoga Flow
- Sound Bath and Meditation Yoga
- Step Up Doral
(Classes such as VXN,
Wellness Wednesdays & more)
- Yoga on the Lawn
- Full Moon Yoga
- Pickleball Clinics
- Archery
- Nature Crafts
- Aikido
- Swim Lessons

For more information on youth and adult programs, contact Marquise.West@cityofdoral.com

2026 PROGRAMS *Winter*

Youth Sports

- Broncos Football and Cheer
- Field Hockey
- Soccer
- Tennis
- Doral Little League
- Youth Basketball League
- Field Hockey
- Youth Flag Football
- Youth Volleyball Training Program
- Youth Basketball Training Program

Adult Sports

- Adult Basketball League
- Adult Soccer League
- Tennis

For more information
on Youth and Adult Sports, contact
Kenneth.Harris@cityofdoral.com

Senior (55+) Programs

- Fall Prevention and Fall Management
- Art Class
- Zumba
- AquaFit
- Aqua Zumba
- Socials
- Trips & Tours

- Bingo Night
- Seminar & Luncheons
- Tai-Chi
- Meditation, Breathing & QI Gong
- Jewelry Class
- Self Defense
- Jazzercise Lite
- Chair Yoga

For more information on joining the Silver Club, email Nerea.Recalde@cityofdoral.com

Special Needs Programs

- Feel the Beat! Dance classes
- Mind & Melody Music Program
- Special Olympics
- Adult Day Training Program
- Wellness & Martial Arts Program
- Tai Chi Program
- Art Program
- Drum Circle for parents & siblings of individuals with Special Needs
- Sunburst Beats

PARKS & RECREATION

ONLINE REGISTRATION

5 Easy Steps

Register for Park programs in five easy steps! Create your WebTrac account before registration begins! *Every customer wishing to use our online feature will need to create a log-in account.

- 1 Go to www.cityofdoral.com/parks
- 2 Click on the “Register Online” tab
- 3 Click on “Launch Online Registration”
- 4 Create an account or log-in to account
- 5 Register for your favorite programs!

VOLUNTEER COMMUNITY SERVICE HOURS

The City of Doral Students in Action Volunteer Program is designed for high school students to assist the City of Doral Parks and Recreation Department in providing quality community events, programs and activities for visitors and residents of Doral. If you are a student interested in becoming a Parks and Recreation volunteer for community events, programs and/or activities throughout the year, please follow the link below to download the application and visit Morgan Levy Park or Doral Legacy Park to submit it. You can also submit your application and copy of photo ID directly to:

Marquise.West@cityofdoral.com or Gianna.Rivera@cityofdoral.com

FITNESS CLASSES

Doral Central Park Community & Fitness Center

- Pilates
- Core Yoga
- Cardio Dance
- Zumba
- AquaZumba
- Reggaeton Fitness
- HIIT

For more information on fitness programs
email DCPfitness@cityofdoral.com
or use the QR Code for Registration.

ONLINE REGISTRATION – DORAL CENTRAL PARK COMMUNITY & FITNESS CENTER CLASSES & MEMBERSHIPS

Register for Fitness Classes and Memberships for Doral Central Park! Create your MindBody account before registering. Registration can be done at any time.

1

Go to www.cityofdoral.com/parks

2

Click on “Doral Central Park”

3

Click on “Go to Fitness Center Classes & Memberships”

YEAR IN REVIEW 2025

Growth, Safety and Community

As 2025 came to a close, Doral reflected on a year full of milestones that brought the community closer, improved daily life, and set the stage for an even brighter future. From new amenities and public safety achievements to infrastructure upgrades, the year was all about making Doral an even better place to live, work, and play.

Parks and Recreation Highlights

Doral Central Park became the heart of the community with the opening of the **new Community & Fitness Center** and a **state-of-the-art Aquatic Facility**. Families, fitness enthusiasts, and swimmers quickly made it their daily destination. Collegiate athletics came to town as FIU's Swim & Dive Team started training at the Aquatic Center, adding energy and excitement to the local sports scene.

A Stronger, Safer Community

Keeping Doral safe remained a top priority. In 2025, 43% of the City's budget supported policing, new officers, specialized units, and upgraded equipment. Officers were recognized for life-saving acts, and plans began for a modern police headquarters designed to meet the needs of a growing city—ensuring residents feel safe and supported every day.

Infrastructure and Mobility

Doral invested more than \$5.5 million to improve roads, drainage, and public spaces, making the city more beautiful and easier to navigate. Mobility options expanded with upgrades to Freebee and Doral Trolley services, and ten new shaded, ADA-accessible trolley stops are coming soon, making it simpler and more comfortable for residents to get around town.

Community Celebrations

From fireworks on the Fourth of July to charitable events that give back, 2025 was packed with moments that brought the community together. The Mayor & Chief's Charity Golf Tournament and Gala raised over \$300,000 for Parks and Police 4 Kids, supporting programs that enrich the lives of Doral's youth.

Financial Strength and Innovation

Doral ended 2025 stronger than ever, with top-tier AAA bond ratings and national recognition for transparency- clear evidence of a city guided by sound financial stewardship and responsible governance.

Through smart planning, healthy reserves, and strategic revenue projects that diversify income and lessen residential tax reliance, the City responsibly manages public funds to strengthen neighborhoods, support families, and boost local businesses. This positions Doral for 2026's continued growth, opportunity, and community success.

BUILDING SMARTER IN DORAL

Introducing a New Era of Development Services

By Jane Decker, Development Services Administrator, City of Doral

Doral is a city built on vision. From small warehouses to global headquarters, from single-family homes to vibrant mixed-use centers, the story of Doral has always been one of opportunity. But opportunity works best when it's paired with clarity, predictability, and a city that helps residents make informed decisions. That is the heart of Development Services - and why 2026 marks an important new chapter.

In October 2025, the City of Doral consolidated its development-related divisions - Building, Planning & Zoning, Code Compliance, and Business Licensing - under a unified leadership structure. I was appointed as the City's first Development Services Administrator, a role designed to strengthen coordination, improve customer experience, and ensure consistent application of codes and standards that keep the community safe and prosperous.

While the title is new, the mission is simple: One Voice, One Doral. A single place where residents, business owners, contractors, and design professionals can receive guidance, clarity, and faster, more predictable service.

Launch45: A Smarter Path Forward

One of our earliest priorities is the rollout of Launch45, Doral's modernization initiative aimed at **reducing permitting timelines, improving transparency, and streamlining the steps** required to build, remodel, open a business, or occupy a space.

Launch45 focuses on:

- Reducing unnecessary file categories that complicate submittals
- Creating predictable pathways for clean, complete applications
- Improving intake processes so applications enter review sooner
- Increasing transparency in EnerGov for customers and staff
- Strengthening collaboration across divisions

The goal is not just speed. The goal is consistency. When customers know what to expect - and when - they make better decisions, invest with confidence, and avoid costly delays.

Four Lenses, One Mission

As an architect, licensed contractor, code official, and real estate sales associate, I have spent my career seeing projects through multiple lenses. Doral's customers often stand at the intersection of these disciplines — leasing a retail space with zoning implications, renovating a home with floodplain requirements, or purchasing industrial property with pending code issues.

The challenges people face are often avoidable.

The earlier you have good information, the better decisions you can make.

Before You Buy or Lease: A Smarter Approach

In Doral, the strongest projects — residential, commercial, or industrial — start with one step: due diligence. Understanding zoning, flood zones, parking requirements, occupancy classifications, and building recertification cycles can prevent costly surprises.

Whether you're a first-time homebuyer, an investor, or a business owner searching for the perfect storefront, **the City's Development Services team is here to help you begin with clarity.**

Looking

Ahead

This article is the first in a four-part 2026 series designed to help residents navigate the development world with confidence. Next quarter, we'll explore "Five Essential Questions Every Buyer or Tenant Should Ask Before They Sign." With the right information at the right time, Doral continues to be one of Miami-Dade County's strongest places to **live, work, learn and play.**

Stay Dry and Secure Essential Flood Prevention Strategies

5 QUICK TIPS!

1. **Clean up debris** from your yard. Debris, such as leaves and branches, can clog storm drains and contribute to flooding. Be sure to clean up debris from your yard regularly and do not throw grass clippings in the storm drain.
2. **Clean gutters, downspouts, splash pads, and nearby drainage ditches** or storm drains. Also, make sure that your downspouts are properly directed away from your foundation.
3. If you have any utilities such as a furnace, water heater, air conditioner, and other utilizes that may not have **adequate elevation to prevent water from flooding** these systems, speak with a professional about raising them to a higher elevation.
4. **Install "check valves" in sewer traps** to prevent flood water backups.
5. **Install a sump pump** with a battery to help pump away rain or groundwater that makes its way to the basement.

Data:

According to FEMA, flooding is the most common natural disaster in the United States, and it can cause billions of dollars in damage each year.

Questions and Answers

Q: What should I do if I live in a high flood risk area?

A: If you live in a special flood hazard area, it is important to take steps to protect your property and belongings from flooding. This includes installing a sump pump, purchasing flood insurance, or using low impact development (LID) such as rain barrels to collect water that may be used to wash cars, driveways, and water the grass.

Q: What are the benefits of flood insurance (home and content)?

A: Home insurance does not cover any damage incurred by flooding. Flood insurance can help to protect you from the financial devastation that flooding can cause. Flood insurance can pay for repairs to your home and belongings, as well as additional living expenses if you are displaced from your home due to flooding.

Common Myths

Myth: *I don't need flood insurance because I don't live in a flood zone.*

Fact: All zones are Flood zones, Zone X is considered an area of minimal flooding, however, the water does not know how to read the lines on a map.

Myth: *Flood insurance is way too expensive.*

Fact: Flood insurance is more affordable than you might think and can save you thousands of dollars in repairs if your home is flooded. Specially those properties outside the special flood hazard area.

DORAL RECOGNIZED FOR Smart Growth Leadership in Parks

The City of Doral was recognized at the **2025 Smart Growth Excellence Awards Banquet** for its continued leadership in smart growth and sustainable parks development. The recognition builds on the City's 2021 Smart Growth Excellence Award, which helped shape Doral's long-term approach to conservation, park design, and community wellness. Doral first earned regional recognition for the Nature and Recreation Center at Doral Glades Park, a project rooted in environmental stewardship and high-performance design.

During this year's banquet, **Dulce Pantaleón, the City's General Services Administrator and Sustainability Manager, spoke** to how that early recognition helped formalize Doral's citywide sustainability framework — guiding green building standards, long-term planning, and community-focused initiatives such as the Green Master Plan and Keep Doral Beautiful program.

2021

Smart Growth Excellence

Energy Efficient Roof & Windows

Protecting nature is not just the responsibility of governments and organizations; individuals also have a crucial role to play.

Low & No-VOC Paints & Adhesives

Conserve 43.3% Potable Water Annually due to building water sensors

Drought Tolerant Plants & Water-Conserving Irrigation system

Reduced energy consumption by 59% from baseline.

Conservation and planting of Native Trees and shrubs.

She was followed by **Christina Carmona, Nature and Conservation Coordinator for the City of Doral**, who reflected on how those sustainability principles are brought to life through park design, environmental education, and nature-based programming that engages residents of all ages.

Sustainability in Action at DORAL GLADES PARK

The 9,000-square-foot Nature and Recreation Center set a new standard for environmentally responsible public facilities in Doral. Its design prioritized efficiency, conservation, and community health.

Key sustainability features include:

- Nearly 60% reduction in energy consumption through high-performance systems and passive design
- LED lighting and occupancy sensors to reduce energy use while maintaining comfort and safety
- Preservation of native vegetation and perimeter trees to support local ecosystems
- Water-conserving irrigation systems and sensor-controlled water features
- Low- and no-VOC interior materials that promote healthier indoor environments

These features became a blueprint for future park development across the City. Since receiving the award, Doral has expanded sustainability efforts throughout its parks system. White Course Park incorporates rainwater capture for efficient irrigation, while Doral Central Park, the City's largest public investment to date, integrates energy-efficient materials and advanced water conservation measures throughout its design.

2025 Present Day

The center itself has thrived since opening: a 9,000-square-foot hub that continues to be a gathering place for residents, students, and nature enthusiasts.

Nature Conservation
Coordinator Position

School Field Trips

Nature Programming

Edible Community
Garden

Environmental
Workshops

Continues efforts to
plant Native.

Today, **Doral's parks system is recognized as a regional model** for smart, sustainable growth, demonstrating how thoughtful planning can balance recreation, environmental stewardship, and long-term resiliency.

NEED HELP?

Emergency Hardship Grant for Families

Unexpected challenges—like job loss, medical emergencies, or sudden loss of income—can make it difficult for families to cover essential expenses. To support residents during these times, the City of Doral offers the **Emergency Hardship Grant for Families (EHG4F)**, **providing up to \$3,000 in financial assistance** for urgent needs such as rent, utilities, or emergency childcare.

How the Grant Works

- Applications are accepted monthly from the 1st through the 10th at 3:30 p.m., or until available funds are exhausted.
- Applications are reviewed together at the end of each cycle to ensure fairness.
- One grant per household per year is allowed.
- Approved funds are paid directly to service providers (landlords, utility companies, or childcare providers).

Who Can Apply

- Residents of Doral for at least 12 months
- Households experiencing documented financial hardship
- Income within program limits (varies for single- vs. multi-income households)

TIP

Make sure your service provider can accept direct payments from the City and complete any necessary forms.

HARDSHIP GRANT

GET HELP APPLYING

One-on-One Assistance Available

City staff will be available to provide in-person, **one-on-one** application assistance on:

**January 5th from 10:00 a.m. to 2:00 p.m.
Doral Government Center
First-floor multipurpose room**

For questions, please contact ConstituentServices@cityofdoral.com.

What You'll Need

Applicants should be prepared with:

- Proof of residency and household income
- Documentation of the hardship (job loss, medical emergency, etc.)
- Statements or invoices from the service provider for the expense

The program is designed to be timely, transparent, and supportive, helping families stay secure while navigating unexpected challenges. For full eligibility details, required documentation, and to **apply online**, visit: www.cityofdoral.com/EHG4F

DRIVING FORWARD

Doral's Transportation Upgrades Boost Mobility, Comfort, and Community

Doral's commitment to **sustainable, accessible transportation** continues to take shape with major improvements designed to make getting around the city **easier, safer, and more enjoyable** for residents of all ages.

Expanding *freebee* for Smarter, Greener Trips

This fall, the City of Doral announced an exciting **expansion of its popular Freebee on-demand transportation service** — adding two new all-electric vehicles to the local fleet. One vehicle will serve general riders, and the other is dedicated specifically to supporting seniors, helping residents stay mobile without the stress of driving or parking.

Powered entirely by electric vehicles and offered at **no cost to riders**, Freebee **helps reduce traffic congestion and emissions** while connecting people to key destinations like Downtown Doral, city parks, cultural venues, and community hubs. Thanks to a generous Florida Department of Transportation grant of more than \$800,000, the service will now deliver **shorter wait times, better reliability, and broader coverage** for residents and visitors alike. This expansion reinforces Doral's vision of a connected, sustainable city that supports mobility options for everyone - whether you're heading to work, meeting friends, or simply enjoying a day out.

More Comfortable, Safer Commutes **New Trolley Shelters Break Ground**

In addition to on-demand ride options, **Doral is boosting the comfort and accessibility** of its traditional transit system. In October, city leaders broke ground on the Citywide Trolley Shelter Project, an initiative to install **ten modern trolley shelters** at key transit stops across the city.

These new shelters will offer **shade, weather protection, and ADA-accessible features** — ensuring that riders of all abilities can wait for the trolley in comfort and safety. **Walkways, landscaping, and pedestrian-friendly connections** will accompany the shelters, aligning transit upgrades with broader efforts to make Doral's streetscapes more inviting and accessible for everyone.

Mayor Christi Fraga emphasized that these improvements are about more than shelters — they're about enhancing the day-to-day quality of life for those who rely on public transit and making Doral's transportation network more cohesive and reliable.

Building a More Connected, Livable Doral

Together, the Freebee expansion and trolley shelter upgrades represent **thoughtful investments in Doral's future** — strengthening mobility choices, reducing reliance on personal vehicles, and fostering a city where transportation works seamlessly with everyday life. Residents can look forward to continued enhancements as Doral grows smarter and greener, always **centered on community needs, sustainability, and comfort**.

To learn more about the Freebee service — including how to request rides and view service hours — visit **CityofDoral.com/Freebee** or download the Freebee app.

And stay tuned for updates on trolley shelter installations and other transportation projects that keep Doral moving forward.

We are proud to bring you the Doral Life Winter Issue. This official City publication aims to communicate exciting news, events and initiatives of interest to our residents. Email us at Jessica.Guerrero@cityofdoral.com with ideas on what else you may want to see published in this magazine.
