Family Fun Blooms This Spring

Spring events, outdoor fun, & community moments for the whole family.

FROM THE DESK OF
THE MAYOR
Christi Fraga

Dear Residents of Doral,

Spring is a wonderful time in the City of Doral, as our parks, programs, and public spaces come alive with activity and residents gather to enjoy all our community has to offer.

This season also marks the return of aquatics season with the reopening of the Doral Central Park Aquatics Recreation Center for all to enjoy. As temperatures rise, families can once again enjoy the water park, splash areas, and outdoor spaces that make our parks such special places to connect and stay active.

In May, we also take time to celebrate and reflect. Mother's Day is an opportunity to recognize the incredible mothers and caregivers who shape our families and community. Later in the month, we honor the brave men and women of our Armed Forces on Memorial Day, remembering those who made the ultimate sacrifice for our nation.

Thank you for helping make Doral such a vibrant and welcoming city. I wish you and your families a wonderful spring season.

Warmest regards,

Mayor, City of Doral

Park Facilities

Doral Central Park

Doral Aquatics Center

Doral Cultural Arts Center

Doral Glades Park

Doral Legacy Park

Doral Meadow Park

Downtown Doral Park

MAU Park

2026 SPRING PROGRAMS

Spring Registration now open!

Discover a variety of engaging programs for all ages! Whether you're interested in educational workshops, fitness classes, or creative activities, we have something for everyone. Explore your interests and connect with your community through our diverse offerings.

Youth Programs

- Crafty Art
- Just You & Me
- Genius Science Labs
- Toddler Time
- Cristi's Dance Studio
- Chess for Kids
- Doral Table Tennis
- Beach Tennis
- Doral Fencing Club
- Florida Karate Clubs
- United Martial Arts
- Archery
- Nature Crafts
- Music for Babies
- Aikido
- Swim Lessons
- Coding & Robotics
- Entrepreneurship
- Miami Table Tennis
- Chess

Adult Programs

- Jazzercise
- Core Yoga
- Yoga Flow
- Yoga on the Lawn
- Full Moon Yoga
- Step Up Doral
(Classes such as VXN,
Wellness Wednesdays
& more)
- Pickleball Clinics
- Archery
- Nature Crafts
- Aikido
- Swim Lessons

For more information on youth and adult programs, contact Marquise.West@cityofdoral.com

2026 SPRING PROGRAMS

Youth Sports

- Broncos Tackle Football and Cheerleading
- Field Hockey
- Doral Little League
- Tennis
- Soccer
- Table Tennis

Adult Sports

- Adult Basketball League
- Adult Soccer League
- Tennis
- Table Tennis

For more information on Youth and Adult Sports, contact Kenneth.Harris@cityofdoral.com

Senior (55+) Programs

- Pilates
- English Classes
- Art Classes
- Handmade Jewelry
- Choir
- Socials
- Trips & Tours
- Meditation, Breathing, and Qi Gong
- Fall Prevention and Fall Management

- Seminar & Luncheons
- Jazzercise Lite
- Chair Yoga
- Yoga
- Tai-Chi
- Self-Defense
- AquaFit
- Aqua Zumba
- Zumba
- Bingo Nights

For more information on joining the Silver Club, email Nerea.Recalde@cityofdoral.com

Special Needs Programs

- Feel the Beat! Dance classes
- Mind & Melody Music Program
- Special Olympics
- Wellness & Martial Arts Program
- Art Program
- Theatre Class
- Drum Circle for parents & siblings of individuals with Special Needs

Your Built-In Advantage as a Doral Business

In Doral, your Business Tax Receipt (BTR) is more than a license — it's your gateway to exclusive resources, expert guidance, and tools designed to help your business grow smarter and faster.

What is a BTR?

A Business Tax Receipt (BTR) is required for every business operating in Doral. With BTR Access, it also unlocks a curated set of resources created specifically for you by the City's Economic Development team.

Exclusive Benefits

As a BTR holder, you automatically gain access to:

- **Start & Scale Academy workshops** covering marketing, operations, finance, and emerging tools like AI
- **Practical business resources** to support smarter decision-making
- **Direct access to City staff** for guidance on permitting, compliance, and growth strategies

Who Can Participate

All businesses with an active City of Doral BTR are eligible.

Not sure if your BTR is active?

Visit the Doral Self-Service Portal, log in (or create an account), and select the **"My Work"** tab to view or print your license.

Upcoming BTR Access Workshops

Take advantage of your access with these upcoming sessions:

- **May: Before You Lease**
 - Learn how to choose the right location for your business and ensure your site aligns with zoning, BTR requirements, and long-term goals.
- **June: Comprende las Finanzas de Tu Negocio (Spanish Session)**
 - Understand essential financial concepts including cash flow, budgeting, and profitability.
- **July: Cómo Lograr que Tu Negocio Califique para Financiamiento (Spanish Session)**
 - Learn what lenders look for and how to position your business to secure funding.

Your BTR isn't just a requirement it's your access point to expert support, smarter decisions, and real business growth.

Read Before You Sign

Leasing or Buying for Your Business? Five Questions to Ask First

Every year, residents and business owners sign leases or purchase properties with the best intentions and then discover that what they thought was a simple move **involves zoning limits, build-out requirements, construction timelines, or unforeseen code issues.**

These surprises aren't unique to Doral. They're universal. But they are preventable, and they're the reason the City of Doral encourages early due diligence before anyone signs on the dotted line.

5 MOST IMPORTANT QUESTIONS

1. Is your business use allowed at this location?

“Zoning” might sound like a technicality, but it is the foundation of good planning. Zoning regulates what uses are allowed — from restaurants and gyms to medical offices, warehouses, and childcare facilities. It also governs parking, hours of operation, landscaping, and buffers.

A tenant may love a space, but if their use doesn't comply with the zoning district, the project may not be feasible. This single question can save weeks — and sometimes thousands of dollars.

[Learn more at www.cityofdoral.com](http://www.cityofdoral.com) | [Planning and Zoning Department](#)

2. Is the building approaching its recertification deadline?

Miami-Dade County requires structural and electrical safety recertifications when a building reaches 30 years of age and every 10 years thereafter.

If you purchase a building nearing its recertification date, you may face immediate inspections, major repair obligations, or increased costs that were not part of your original budget.

Always check the age of the building and the recertification schedule.

[Explore resources at www.cityofdoral.com](http://www.cityofdoral.com) | [Building Recertification Program](#)

3. What floodplain or stormwater rules apply?

Some buyers don't realize that flood zones affect more than insurance. They affect:

- Finished-floor elevations
- Location of mechanical equipment
- Use of enclosures
- Fill requirements
- Expansion limits

Knowing your flood zone upfront protects your investment and ensures your project will meet both FEMA and City standards.

[Find out more at \[www.cityofdoral.com/Departments/Building-Department/Flood-Information\]\(http://www.cityofdoral.com/Departments/Building-Department/Flood-Information\)](http://www.cityofdoral.com/Departments/Building-Department/Flood-Information)

4. What permits will your build-out require, and how long will they take?

Even “simple” improvements — partitions, electrical upgrades, new HVAC, signage, or plumbing modifications — require permits. The type of work dictates the number of reviews needed across Building, Zoning, Public Works, Fire, or County agencies.

The City's Launch45 initiative is improving these timelines through clearer submittal requirements and streamlined review categories so you can plan your opening with greater certainty.

[Visit \[www.cityofdoral.com/Departments/Building-Department/New-Business-Information\]\(http://www.cityofdoral.com/Departments/Building-Department/New-Business-Information\) to download your New Business Package today.](http://www.cityofdoral.com/Departments/Building-Department/New-Business-Information)

5. Are there existing code violations or liens on the property?

Code violations follow the property — not the owner.

A buyer may inherit:

- Landscaping deficiencies
- Life-safety corrections
- Unpermitted structures
- Signage issues
- Open permits that were never closed

A quick records check can prevent inheriting costly obligations.

[Search online records and request certified copies of prior work by visiting \[www.cityofdoral.com/permitting\]\(http://www.cityofdoral.com/permitting\) for more information!](http://www.cityofdoral.com/permitting)

The Value of Doing It Right the First Time

Most challenges we see in Development Services stem from decisions made before people speak with us. With the right questions and early engagement, residents can avoid delays, reduce costs, and make informed, confident decisions.

Next quarter's article will go a step further with “Avoid the Pitfalls: The Top Development Mistakes in Doral and How to Stay Ahead of Them.”

Understanding

Pesticides, Herbicides, and Fertilizers

During this spring remember to utilize pesticides, herbicides and fertilizers properly. A pesticide is a substance or mixture of substances intended for preventing, controlling, repelling or destroying pests such as weeds or insects. Herbicides are a subset of pesticides, used to control growth of unwanted plants such as weeds. A fertilizer is a substance that contains essential plant nutrients such as nitrates and phosphates used to promote healthy plant growth.

Pesticides, herbicides and fertilizers can be of great benefit when used correctly. Pesticides and herbicides are designed to protect plants from insects or weeds, while fertilizers allow plants to grow healthier and more rapidly than under normal circumstances. While these products can be beneficial, their excessive and incorrect use can adversely affect the environment, flora and fauna and ultimately human health.

Stormwater runoff containing these chemicals can enter into water bodies killing or damaging a variety of organisms. The nitrogen from fertilizers that are washed into water bodies by stormwater runoff depletes the oxygen in the water creating “dead zones”. Fertilizers can disrupt natural biological communities by increasing plant and microbial growth and changing the natural water ecosystem subsequently disrupting the food chain. When these chemicals dissolve in storm water they can migrate into our drinking water supplies or end up in surface waters.

Proper use of Pesticides and Fertilizers

South Florida soils allow nutrients to drain away from plants roots system quickly, so fertilize responsibly. Always know when, how often, and what type of fertilizer to use. Lawn fertilization programs should begin in early October, not early May. Do not fertilize healthy trees and shrubs; they should only be fertilized if they are growing poorly. If trees or shrubs need to be fertilized, fertilize when plants are dormant in late fall or early spring. Over fertilization will produce unnecessary growth requiring more pruning. Whenever possible, organic pesticides should be used. If a pesticide is necessary, it is important to determine the exact type of pest.

Avoid polluting by doing the following:

- Carefully read the manufacturer’s directions.
- Always follow the pesticide, herbicide or fertilizer guidelines exactly.
- Buy and apply only the recommended amount of the product.
- Apply chemical to grass or landscape area avoiding driveways, sidewalks and impervious surfaces.
- Do not apply chemicals near water systems such as wells, streams, canals, or lakes.
- Clean up excess always avoiding getting them into the storm drains.
- Chemical leftovers should always be properly stored.
- Take precautions to prevent spills and know what to do if a spill occurs.

PROPER DISPOSAL of home chemicals

Do not dispose of certain household waste in the trash, in storm drains, or on the ground as it negatively impacts the environment and can make it's way into groundwater and surface water systems. Certain chemical products can be delivered to the Miami-Dade County Home Chemical Collection Center (HCCC), for proper disposal. Please see below list of accepted items.

- Oil-based paints
- Pesticides, solvents
- Pool chemicals
- Electronic items including:
 - Computer monitors and televisions
 - Personal computers, keyboards, hard drives and printers
 - VCR's, audio and video equipment
 - Communication equipment such as cellular telephones and hand-held radios
- Unbroken fluorescent light bulbs, including the older, long-tube fluorescents, modern compact fluorescent light bulbs (CFLs) and other fluorescent types
- Latex paints that are still in liquid form
- Propane tanks (larger tanks such as those used for RV's, forklifts, or fixed kitchen gas supply are not accepted)
- Empty oxygen tanks

Always conserve and recycle resources. Recycle used oil and your household chemicals or materials.

Your closest recycling center is located at:

Home Chemical Collection Center at West Dade | 8831 NW 58th Street

Regular hours of operation are Wednesday through Sunday from 9:00 a.m. to 5:00 p.m.

For more information visit: www.miamidade.gov/publicworks/home-chemical-disposal.asp

Or call 3-1-1, (305) 468-5900

Illegal Dumping

Illegal dumping harms the environment, is a serious crime, and ruins the City's appearance. If you see it happening (tires, debris, hazardous materials, furniture, etc. in storm drains, canals, or public right-of-way):

- **Call Doral Police at (305) 593-6699 immediately.**
- **Do NOT confront the person.**
- **Note details and take photos if possible.**

If already done: **Report via 3-1-1, Code Compliance at (305) 593-6680, or Public Works at (305) 593-6740.** It is illegal to dump anything into storm drains. Dispose properly at your Miami-Dade County Neighborhood Trash and Recycling Center (household trash, yard waste, up to 3 cubic yards of construction/demolition debris).

Art, Flowers & Championship Golf

Spring brings a vibrant lineup of experiences to Doral, from colorful cultural celebrations to world-class sports. With events happening right here in the city, residents and visitors alike can enjoy unforgettable moments close to home.

Doral Art & Flowers Festival

April 10–12, 2026

Opening Reception: Friday, April 10 • 7:00 PM

Where: Doral Cultural Arts Center, Downtown Doral

Celebrate the beauty of spring at the Doral Art & Flowers Festival, where the Doral Cultural Arts Center will bloom with floral-inspired art, sculptures, and immersive installations. This three-day celebration invites visitors to explore creative displays and enjoy a colorful fusion of art and nature in the heart of Downtown Doral.

Admission is free and open to the public.

PGA TOUR Miami Championship – Trump National Doral

April 30 – May 3, 2026

Where: Trump National Doral – Blue Monster Course

World-class golf returns to Doral as top players compete on the legendary Blue Monster course during the PGA TOUR Miami Championship. The tournament brings four days of elite competition and fan experiences to the city.

Residents who want to be part of the action can volunteer to support tournament operations, hospitality, and player services while enjoying a behind-the-scenes look at a premier PGA TOUR event.

To sign up, email henryschleizer@pgatourhq.com

Doral Welcomes Leaders from Across the Americas

On March 6, 2026, the City of Doral proudly welcomed distinguished leaders from across the Western Hemisphere for the Shield of the Americas Summit Welcoming Reception, held at the Doral Cultural Arts Center.

Hosted by Mayor Christi Fraga, the invitation-only reception brought together Latin American Heads of State, senior U.S. government officials, and regional leaders ahead of the Summit's official programming. The evening offered an opportunity for leaders to connect and strengthen partnerships focused on security cooperation, economic opportunity, and democratic values across the Americas.

Among the distinguished guests in attendance were U.S. Deputy Secretary of State Christopher Landau, President-elect of Chile José Antonio Kast, President of Bolivia Rodrigo Paz Pereira, and delegations representing countries throughout Latin America and the Caribbean.

As a city proudly known as the Gateway to the Americas, Doral continues to play an important role in fostering international dialogue and collaboration, bringing together leaders from across the region in a place where cultures, ideas, and partnerships converge.

A Landmark You Can Touch

Where Community Shines - Brings Art to Life in Doral

Step into Doral Central Park and look up, and you're greeted by a splash of color and community spirit! The City of Doral recently unveiled its newest icon: the water tank mural "Where Community Shines," turning a piece of everyday infrastructure into a vibrant gateway that celebrates everything that makes our city special.

Created by Nicaraguan American artist Jonathan S. Ramirez, the mural captures Doral in motion. A soaring stork, rolling greens inspired by local landscapes, and silhouettes of runners, roller skaters, and parkgoers all come together beneath a glowing sunset sky, creating a visual story of a city alive with energy, culture, and connection.

This mural is more than just a stunning piece of art; it is a community creation. Through the City's "Paint Your Mark: A Community Mural Experience," residents aged 8 and up contributed their own brushstrokes over one weekend, leaving a permanent imprint on Doral's skyline. Families, kids, and neighbors became part of the city's artistic history, making the mural truly by the people, for the people.

Part of Doral Central Park's ongoing enhancements, this project adds a lasting cultural touchpoint that will welcome parkgoers for years to come. Every time you visit, you are not just seeing a mural; you are seeing the heart of Doral reflected in every stroke of color.

Location: 3005 NW 92nd Ave, Doral, FL

Fun Fact: The mural was designed to capture both the beauty of the city's landscapes and the energy of its residents, making Doral Central Park a must-see for locals and visitors alike!

Saturdays at the Market

Doral's Weekend Tradition

Looking for a fresh, fun way to kick off your weekend? Saturdays at the Market, **Doral's Seasonal Farmers Market**, is the perfect spot to shop, explore, and connect with your community in Doral.

Set in the scenic Doral Central Park Turf Promenade, the market brings together local farmers, artisan vendors, and handmade goods all in one vibrant, family-friendly setting. **Pick up fresh produce, indulge in prepared foods and sweet treats**, and discover unique crafts that support small businesses right here in Doral.

The atmosphere is lively and inviting. Kids can enjoy hands-on arts and crafts, everyone can snap a fun photo, and a live DJ keeps the tunes flowing throughout the morning. Each market offers something new, making every visit feel special.

More than just shopping, Saturdays at the Market is a celebration of community, where neighbors meet, flavors collide, and everyone gets a little taste of what makes Doral shine.

Whether you are grabbing your weekly favorites or simply looking for a reason to step outside, this is a **Saturday experience you will not want to miss.**

More Than a Workout: The Doral Central Park Lifestyle

The wait is over. Doral Central Park is redefining what it means to be a fitness member. **This is your all-access pass to a more active, connected lifestyle.**

Enjoy everything Doral Central Park has to offer, from state-of-the-art fitness equipment and indoor volleyball and basketball courts to group fitness studios, an indoor running track, and full locker rooms that make every workout comfortable and effective. **Love the water?** Swim laps, join a class, or relax in our leisure pools. Kids can stay active in our playroom, and childcare is available as an add-on so you can focus on your routine.

Ready to explore everything Doral Central Park has to offer?

Visit www.MyDoralCentralPark.com

for membership details, class schedules, and to purchase your membership today.

A Space for Every Routine

Whether you're building consistency, staying active, or prioritizing your health, there's a membership that fits your lifestyle:

The Gold Standard: Campus Pass

Looking for the full experience?

The Campus Pass offers access to **both the Fitness and Aquatic Centers**—bringing together strength, recovery, and recreation in one membership. It's the ideal choice for those who want a more complete wellness routine.

Designed for Real Life

We know fitness isn't one-size-fits-all. That's why memberships are built with flexibility in mind:

- Add a **Select Class Pass** for group fitness and variety
- Include a **Childcare Pass** so you can focus on your workout
- Choose from daily or monthly options that fit your schedule

More Than a Membership

Doral Central Park is more than a place to work out—it's a **space to build habits**, connect with your community, and invest in your well-being. **Ready to get started?**

Visit the Fitness Center front desk to find the membership that works for you.

All family memberships include a Childcare Pass. Special rates available for residents, commuters, and students. A \$15 initiation fee applies to new members.

A Better Way to Move

Doral's Micromobility Update

As more residents turn to e-scooters, e-bikes, and other mobility options, the City of Doral is taking a thoughtful step forward. Ordinance #2025-35, passed by Mayor Christi Fraga and City Council on October 8, 2025, establishes clear rules for safer, more organized movement across the City—so everyone can share the road, sidewalks, and trails comfortably.

REGISTER NOW Registration & Accountability

To improve safety and enforcement, the ordinance introduces a new requirement:

- All micro-mobility devices must be registered with the City of Doral Police Department
- Registered devices must display a City-issued decal at all times

This system helps ensure devices are properly identified and operated responsibly throughout the community.

Clear Guidelines for Safer Riding

The ordinance sets specific standards to keep riders and pedestrians safe:

- Micro-mobility devices may be used on streets, sidewalks, and bike paths, with speed limits of 16 mph on sidewalks.
- Operators must yield to pedestrians and follow all traffic rules.
- Riders are required to wear helmets meeting federal safety standards.
- Devices must have working brakes and lights visible from front and back during nighttime.
- Age requirements: riders 15 years and older may operate with a valid ID or restricted driver's license.
- Shared mobility providers must follow City guidelines for rentals, safety, and device

Supporting a More Connected City

These updates provide structure to a rapidly growing way of getting around—making it easier for residents to move efficiently while keeping safety top of mind.

Moving Forward Together

Doral continues to invest in mobility options that support convenience, sustainability, and quality of life. With clear expectations in place, residents can enjoy more flexibility in how they get around—whether commuting, exploring, or heading to their next destination.

We are proud to bring you the Doral Life Spring Issue. This official City publication aims to communicate exciting news, events and initiatives of interest to our residents. Email us at Jessica.Guerrero@cityofdoral.com with ideas on what else you may want to see published in this magazine.

Your feedback is very valuable to us! The Doral Life magazine can also be enjoyed in Spanish
