Dear Residents of Doral,

As we bid farewell to 2024 and welcome a new year, Doral continues to be a vibrant and thriving community. We invite you to explore all that our city has to offer, from our beautiful parks to our diverse and thriving businesses.

One of the most exciting developments is the upcoming opening of the second phase of Doral Central Park. This final phase will introduce a state-of-the-art community center, an aquatic facility, and tennis courts, elevating the park's appeal and offering residents new opportunities for recreation and relaxation.

Friends, let's make this year one of growth, prosperity, and community togetherness. Let's continue to work together to make Doral an even better place to live, work, and play.

Happy New Year from the City of Doral!

Warmest regards,

Mayor Christi Fraga

Parks Facilities

The Parks and Recreation Department operates and maintains eleven (11) parks with an abundance of amenities for every age and lifestyle including: community centers, lighted artificial sports fields, basketball courts, tennis courts, volleyball courts, bike-ways, jogging trails, exercise stations, batting cages, shaded playgrounds, dog-friendly off-leash areas (Trails and Tails & White Course) and covered pavilions/picnic tables available for party rentals. The City offers clean, safe and secure facilities for adults and children to play and natural areas for everyone to enjoy.

Doral's Building Department Achieves Prestigious Accreditation

The City of Doral is proud to announce that its **Building Department** has achieved accreditation from the International Accreditation Service (IAS), making it the first jurisdiction in Miami-Dade County to receive this prestigious honor.

This significant milestone underscores the department's commitment to excellence, public safety, and customer service. The accreditation process involved a rigorous evaluation of the department's operations, policies, and procedures. The department's dedication to continuous improvement and adherence to industry best practices has been recognized at the highest level.

"This accreditation is a testament to the hard work and dedication of our entire team," said Jane Decker, Director of the Building Department. "We are committed to providing exceptional service to our community and upholding the highest standards of building safety."

The accreditation will benefit the community in several ways, including:

- **Enhanced Public Safety:** Strict adherence to building codes and standards ensures the safety of residents and visitors.
- **Improved Efficiency:** Streamlined processes and efficient workflows lead to faster permit approvals and inspections.
- **Increased Confidence:** The accreditation demonstrates the department's commitment to quality and professionalism.

The City of Doral congratulates the Building Department on this outstanding achievement and looks forward to continued excellence in the years to come.

WINTER FLOODPLAIN MANAGEMENT TIPS

5

QUICK TIPS

1. Clean up debris from your yard. Debris, such as leaves and branches, can clog storm drains and contribute to flooding. Be sure to clean up debris from your yard regularly and do not throw grass clippings in the storm drain.
2. Clean gutters, downspouts, splash pads, and nearby drainage ditches or storm drains. Also, make sure that your downspouts are properly directed away from your foundation.
3. If you have any utilities such as a furnace, water heater, air conditioner, and other utilizes that may not have adequate elevation to prevent water from flooding these systems, speak with a professional about raising them to a higher elevation.
4. Install “check valves” in sewer traps to prevent flood water backups.
5. Install a sump pump with a battery to help pump away rain or groundwater that makes its way to the basement.

Data

According to FEMA, over one-third of all Americans live in flood-prone areas. Flooding is the most common natural disaster in the United States, and it can cause billions of dollars in damage each year.

FAQs

Q: What should I do if I live in a high flood risk area?

A: If you live in a special flood hazard area, it is important to take steps to protect your property and belongings from flooding. This includes installing a sump pump, purchasing flood insurance, or using low impact development (LID) such as rain barrels to collect water that may be used to wash cars, driveways, and water the grass.

Q: What are the benefits of flood insurance (home and content)?

A: Home insurance does not cover any damage incurred by flooding. Flood insurance can help to protect you from the financial devastation that flooding can cause. Flood insurance can pay for repairs to your home and belongings, as well as additional living expenses if you are displaced from your home due to flooding.

Common Myths

Myth: I don't need flood insurance because I don't live in a flood zone.

Fact: All zones are Flood zones, Zone X is considered an area of minimal flooding, however, the water does not know how to read the lines on a map.

Myth: Flood insurance is way too expensive.

Fact: Flood insurance is more affordable than you might think and can save you thousands of dollars in repairs if your home is flooded. Specially those properties outside the special flood hazard area.

Holiday RECYCLING TIPS

1. **Recycle Gift Wrap Thoughtfully**

Avoid recycling wrapping paper with foil, glitter, or plastic coatings. Only plain paper or tissue paper is acceptable. Save bows and ribbons for reuse to reduce waste.

2. **Cardboard Boxes and Packaging Materials**

Flatten cardboard boxes and remove tape before recycling. Doral residents can take boxes to Miami-Dade's Trash and Recycling Centers, such as the Palm Springs North Center at 7870 NW 178th Street. Bubble wrap and foam should be disposed of at soft plastics collection points.

3. **Holiday Cards**

Paper cards without glitter or metallic finishes are recyclable. Special cards can be reused for craft projects or scrapbooking.

4. **Christmas Tree Recycling**

Doral residents can recycle their Christmas trees at the West Miami-Dade Home Chemical Collection Center at 8801 NW 58th Street (open daily, 7 a.m.–5:30 p.m.), or place them curbside during January's designated collection weeks. Ensure trees are decoration-free. Recycled trees are turned into mulch for residents.

5. **Holiday Lights**

Broken or old string lights should not go into curbside recycling. Instead, drop them at electronic waste facilities like the West Miami-Dade Home Chemical Collection Center. This prevents harmful materials from entering landfills.

6. **Batteries**

Batteries from holiday gifts or decorations can be recycled at approved battery recycling stations, such as those found at e-waste facilities.

7. **Reuse Decorations**

Get creative by reusing decorations or donate gently used ones to local thrift stores in Doral or charities. This keeps items out of landfills and helps others enjoy the holiday spirit.

8. **Plastic Packaging**

Recycle plastic containers with proper recycling symbols, but take bubble wrap and plastic film to collection points for soft plastics.

9. **Avoid Wish-Cycling**

Don't recycle items unless you're certain they're accepted locally. Use Miami-Dade's "Recycle Right" Directory or call 311 for guidance. When in doubt, throw it out.

10. **Extra Resources**

For a full list of recycling programs, visit Miami-Dade County's Department of Solid Waste Management website or check with 311 for additional options

A Monument to Migration: “Migrante” Finds Its Home in Doral

At Doral Legacy Park, a powerful new symbol of resilience and hope now stands tall—the “Migrante Monument.” This stunning bronze sculpture, created by celebrated artist Nelson Gonzalez, tells the story of countless migrants who have shaped our community with their strength, determination, and entrepreneurial spirit. Originally from Venezuela and now based in Aruba, Gonzalez brings a unique perspective to this work of art. “The Migrante Monument is a tribute to the strength of those who have built this vibrant, multicultural city,” Gonzalez shared. “We hope it becomes a cherished symbol, not just for Doral, but for all of South Florida.”

The unveiling ceremony was a moment of pride and reflection for the City of Doral. Mayor Christi Fraga, alongside Councilwoman Maureen Porras, Councilwoman Nicole Reinoso, and representatives from the offices of Councilman Rafael Pineyro and Councilwoman Digna Cabral, gathered with the artist to present the monument to the community. “This monument is more than just a sculpture,” said Mayor Fraga. “It is a symbol of hope, unity, and the diverse tapestry that makes Doral so special. It captures the essence of our city—a place where people from all walks of life come together to build a better future.”

The journey of this sculpture began with the City of Doral’s Public Arts Program, which held an open Call for Art in 2022. Gonzalez’s vision was selected for its ability to capture the spirit of migration and community. Today, this monument stands as the first in Florida dedicated to the theme of migration, marking a milestone in Doral’s history as the city celebrates 20 years since its incorporation. The “Migrante Monument” now welcomes visitors at Doral Legacy Park, offering a space for reflection, inspiration, and pride. Its permanent home ensures that future generations can celebrate the contributions of migrants and honor the stories that continue to shape Doral. Visit Doral Legacy Park to experience this incredible work of art and connect with the stories that unite us all.

INCINERATOR *Report*

Help Us Move the Incinerator Out of Doral

Doral, we're making progress together! Your relentless advocacy and unity have led to a 90-day deferral of the waste-to-energy incinerator item that was originally scheduled for a vote on December 3, 2024, by the Miami-Dade County Board of Commissioners. This delay is a significant step in our fight to relocate the incinerator and protect our community.

Doral's Health Matters

The waste-to-energy facility has long been a concern for Doral residents due to its potential impact on air quality, public health, and our environment. Families living near the facility have raised alarms about increased risks of respiratory illnesses and other health complications. Moving this facility is critical to safeguarding the health and well-being of everyone in our city.

The Road Ahead

The final decision on this issue will take place in **February 2025**, and your continued involvement will be key. While specific dates for upcoming meetings and events have not yet been finalized, we will share more details as soon as they become available. In the meantime, this is a crucial moment to prepare for the next phase of our advocacy.

Stay Engaged

Visit www.cityofdoral.com/movetheincinerator and follow us on social media for the latest updates and information about how you can participate. Together, we'll continue to make a strong case for moving this facility out of Doral and creating a healthier future for our city.

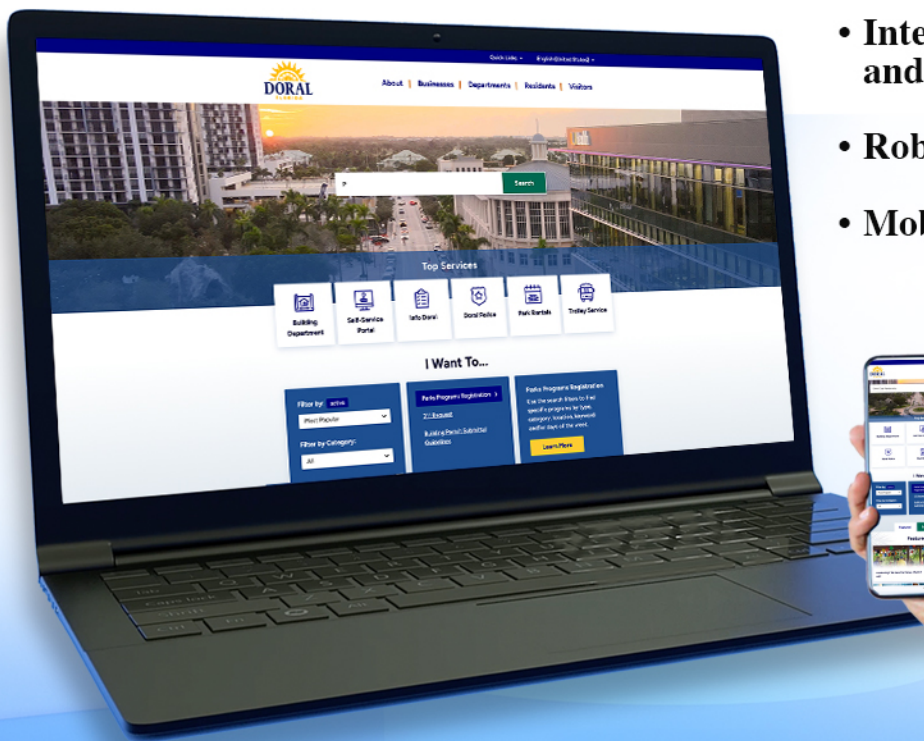

Thank you for standing together and showing the power of a united community. The fight isn't over, but together, we can make history.

Healthy Living in Doral

Tips to Start the New Year Right

The City of Doral is your partner in achieving health and wellness goals for 2024! Here are practical fitness tips with a local twist, featuring your favorite Doral parks.

Build Strength with Circuit Training at Doral Legacy Park

Use the outdoor fitness equipment to create a circuit workout that targets different muscle groups. Alternate between squats, push-ups, and pull-ups for a full-body burn. Bring the family along—kids can enjoy nearby playgrounds while you focus on your goals.

Find Your Flow with Nature-Inspired Workouts at Doral Glades Park

Take advantage of the peaceful trails and fitness zones to create a holistic wellness routine. Start with a light jog or walk on the nature paths, then finish with a stretching session using the equipment. It's the perfect spot to clear your mind while staying active.

Cool Down with a Shaded Workout at Downtown Doral Park

Stay active and refreshed in the shade of Downtown Doral Park. Use the open spaces for low-impact exercises like walking lunges, squats, or stretches. Focus on your core and balance with bodyweight movements such as planks or leg lifts. Finish with light yoga or a quiet moment of meditation under the tree canopy to unwind and recharge.

Kickstart Your Cardio at Morgan Levy Park

Make fitness a family activity! Parks like Doral Legacy Park and Morgan Levy Park offer playgrounds and open spaces where kids can play while parents work out.

Combine Strength and Endurance at Doral Meadow Park

If you love sports or mixed training, these parks are your go-to. Start with a light jog around the fields to warm up, then use the exercise stations to add strength exercises for upper and lower body. Finish with a game of soccer or frisbee for a fun cardio boost.

Hydrate, Fuel Up, and Recover

Stay refreshed and eco-friendly by refilling your reusable water bottle at the Eco-Hydro stations in Doral parks. These stations make it easy to hydrate while helping reduce plastic waste. Just bring your bottle and enjoy the outdoors!

Relax and Recharge Your Mind in Doral's Green Spaces

Fitness isn't just about movement—mental health matters too. Take a quiet walk at Doral Glades Park, find a bench for mindfulness breaks at Downtown Doral Park, or simply pause under the trees for a few deep breaths.

Get Started Today!

Whether you're training for strength, endurance, or mental clarity, Doral's parks provide the perfect backdrop to achieve your 2024 goals. Make fitness fun, local, and sustainable!

Visit our [Parks and Facilities](#) page for more info on each park and start your journey today!

City of Doral Hosts Successful Swearing-In Ceremony and State of the City Address

The City of Doral recently hosted a successful Mayor and Council Swearing-In Ceremony and State of the City Address. The momentous occasion, which took place at the Trump national Doral, commenced with the swearing-in of newly elected and re-elected City Councilmembers – Mayor Christi Fraga, Councilman Rafael Pineyro, and Councilwoman Nicole Reinoso. The atmosphere was filled with excitement and anticipation as the newly elected officials took their oaths of office, ready to serve the community.

Following the swearing-in, Mayor Fraga delivered an inspiring State of the City Address, highlighting the City's significant accomplishments over the past year.

- **Expanded Parks and Recreation:** The opening of the first half of Doral Central Park, enhanced recreational facilities, and expanded programming for residents of all ages.
- **Enhanced Public Safety:** Continued investments in public safety initiatives to ensure a secure and thriving community.
- **Infrastructure Improvements:** Completion of key infrastructure projects to improve the city's infrastructure and quality of life.
- **Fiscal Responsibility:** Maintaining a commitment to increased transparency and budgetary excellence to ensure fiscal responsibility.

A festive reception followed the Mayor's speech, where attendees enjoyed an opportunity to connect and celebrate with city officials. The event was a resounding success, bringing together community members and local leaders to celebrate the City's achievements and look forward to a bright future!

We are proud to bring you the Doral Life Winter Issue. This official City publication aims to communicate exciting news, events and initiatives of interest to our residents.
