

# CONSTRUCTION OPEN HOUSE

New construction to improve the SR 836/Dolphin Expressway Interchange at NW 87th Avenue is underway.

This project will reduce congestion in the surrounding areas by providing additional access points to SR 836 from NW 87th Avenue and NW 12th Street, and widening NW 12th Street to add one lane in each direction.

SAFE. CONVENIENT. RELIABLE.

Join us at one of our community open house events to learn more about the improvements and the construction schedule.

**Wednesday, August 10, 2016**

**6:30 pm – 8:30 pm**

**Doral City Hall**

**8401 NW 53rd Terr., Miami, FL 33166**
